An Unusual Relationship Yaakov Ariel, 2013-06-24 In this enormously well researched and gracefully argued book Ariel develops a nuanced theme the complexity ambivalence and even paradox that has characterized conservative Protestant beliefs regarding Jews and Israel and the diverse responses among Jews First rate scholarship presented in a pleasingly accessible style Stephen Spector author of Evangelicals and Israel The Story of American Christian Zionism It is generally accepted that Jews and evangelical Christians have little in common Yet special alliances developed between the two groups in the nineteenth and twentieth centuries Evangelicals viewed Jews as both the rightful heirs of Israel and as a group who failed to recognize their true savior Consequently they set out to influence the course of Jewish life by attempting to evangelize Jews and to facilitate their return to Palestine Their double edged perception caused unprecedented political cultural and theological meeting points that have revolutionized Christian Jewish

relationships An Unusual Relationship explores the beliefs and political agendas that evangelicals have created in order to affect the future of the Jews This volume offers a fascinating comprehensive analysis of the roots manifestations and consequences of evangelical interest in the Jews and the alternatives they provide to conventional historical Christian Jewish interactions It also provides a compelling understanding of Middle Eastern politics through a new lens Yaakov Ariel is Professor of Religious Studies at the University of North Carolina at Chapel Hill His book Evangelizing the Chosen People was awarded the Albert C Outler prize by the American Society of Church History In the Goldstein Goren Series in American Jewish History

Behold the Man Bodie Thoene, Brock Thoene, 2016-03-01 Encounter the death and resurrection of Jesus of Nazareth in this culmination of the Jerusalem Chronicles How could Jesus who preached righteousness before God and love and mercy toward neighbors be so hated and pursued To the Temple officials he was a threat to the livelihood and authority of the priesthood To Herod Antipas he was a threat to his ambition to be the King of the Jews And to the Roman overlords he was seen as a dangerous threat a man who commanded an army of the common people He could heal wounds offer miraculous provisions and even raise from the dead If Jesus had accepted popular acclaim and become an earthly king he would have been unstoppable Jesus s last days are explored through three people who interacted with him Governor Pilate for whom Judea will either make or break his career Pilate s wife Claudia desperately seeking aid for her much loved crippled son and Centurion Marcus Longinus caught in the middle between loyalty to the Empire love for Claudia and an ever increasing belief in Jesus as the Son of God After encountering Jesus none of them will ever be the same
