Those Who Stayed Behind:

Those Left Behind Melina Druga, Told through a series of epistolary vignettes the second novel in Melina Druga's World War I trilogy traces the lives of the Steward and Bartlette families as they contend with their children's and siblings' wartime absences. Newlyweds Hettie Steward and Geoffrey Bartlette wasted no time heading to the Western Front after the war began. In the wake of the couple's traumatic and untimely separation, their families begin to knit themselves together ever tighter. Matriarchs Lucretia Steward and Amelia Bartlette attempt to keep the home fires burning, unable to escape the tumult of the war. Hettie's brother and brother-in-law join her on the front lines. Back in Ontario, some households grow. Others remain painfully stagnant. Romantic relationships wax and wane as these bright-eyed young adults fall in and out of love with one another and wrestle with the tension between timeworn traditions and the shiny appeal of progress. *Those Left Behind* offers readers the opportunity to connect deeply with the characters they met in *The Unmarriageable Kind* and *Angel of Mercy*. As five years of deaths, births, tragedies, and triumphs unfold, one question never strays far from center: How does one maintain strong filial bonds and repair weakened ones when the world is changing rapidly on all sides.

For Those Left Behind Cherisa Jerez, 2009-07 A deployment doesn't just affect the military member. It can affect everyone in the life of that service member as they pray for their safe arrival home. *For Those Left Behind* is a guide for friends, parents, spouses, and children that are left behind when their service member is called to duty in a foreign place. This is a book that will take you through the announcement, the time apart, and the trials that military members themselves are going through as they spend up to fifteen months deployed. This book will help to provide the insight and strategies to overcoming one of the most challenging experiences a person can face when they are forced to be the ones left behind.

Those Left Behind C.A. Blake, 2023-12-10 Author C.A. Blake was twenty-four years old when her brother Steve committed suicide. She struggled with feeling she wouldn't survive the pain of it. Blake grew up at a time when few coping skills were taught or offered, so she traveled the path of suffering alone. In *Those Left Behind*, she shares her story, telling how the tragic suicide left an empty hole where a life had been. She wasn't sure she'd emerge from the dark shadow of the event. At the time, suicide wasn't a popular subject, and there was little understanding or professional help available for those left behind. Blake speaks to those struck by sudden, often unexpected losses and offers hope to the many who share similar circumstances. Many who have been left behind still wander in the shadows of their losses without a sense they can carry on. In *Those Left Behind*, however, Blake communicates you can move forward. You are stronger and more courageous than you think. Trust yourself, and you'll move through the paralyzing pain. The love of your loved one will always remain with you.
