

# THE THREE LOVES THEORY

## **Love One: Infatuation**

An obsessive interest or desire for someone, usually based on their physical or behavioral characteristics. Lots of fantasizing... usually about sex.

## **Love Two: Romance**

Highly passionate, Love Two produces a relationship with high emotional highs and low emotional lows. Your partner becomes addictive, almost like a drug.

## **Love Three: Commitment**

A defined commitment to a single person to share your life with them for an indefinite period of time. Shared identity, goals, values, and visions for the future.
