

Soundless Sahara

RM Cervero

Soundless Sahara:

The Soundless Sahara Ronald Victor Courtenay Bodley, 1968 **The Sword and the Cross** Fergus

Fleming, 2007-12-01 A searing story of France's attempt to colonize the vast Sahara desert and of two unforgettable men who dedicated their lives to the effort Rob Mitchell The Boston Herald Whether writing of the Alps the high seas or the North Pole Fergus Fleming has won acclaim as one of today's most vivid and engaging historians of adventure and exploration The Sword and the Cross takes us to the Sahara at the end of the nineteenth century when France had designs on a hostile wilderness dominated by deadly Tuareg nomads Two fanatical adventurers Charles de Foucauld and Henri Laperrine rose to the cause of their country's national honor Abandoning his decadent lifestyle as a sensualist and womanizer Foucauld founded a monastic order so severe that during his lifetime it never had a membership of more than one Yet he remained a committed imperialist and from his remote hermitage continued to assist the military The stern career soldier Laperrine meanwhile founded a camel corps whose exploits became legendary During World War I the Sahara's fragile peace crumbled In the desert mountains Foucauld paid a tragic price for his role as imperial pawn Laperrine by then recalled to the Western Front returned to avenge his friend Fleming captures the hopelessness of the French efforts to conquer the Saharan expanse Provides a vital lesson about the limits of power Zachary Karabell Los Angeles Times

North Africa Barnaby Rogerson,

The Fort is Silent Meiring Fouche, Pieter Haasbroek, 2025-08-25 The fort was silent The gate was open And the only guards were the vultures circling overhead Sahara desert 1940 1960 Lieutenant Juin and his patrol of hardened French Foreign Legionnaires arrive at the remote Fort Laval expecting a routine three month post Instead they find the outpost eerily deserted the previous garrison vanished and a lethally beautiful woman in command She is Brigitte de Bonnet a woman consumed by a thirst for vengeance against the Legion Trapped and disarmed Juin's men become pawns in her horrifying experiment To test a new unspeakable chemical weapon on live soldiers One by one they are dragged away to an agonizing fate their screams swallowed by the Sahara Weakened by a cruel game of starvation and thirst the remaining soldiers must rally for one last desperate fight Their survival is not the only thing at stake If they fail a new kind of terror will be unleashed across the desert A blistering military thriller that blends high stakes action with gripping suspense The Fort is Silent is perfect for fans of Alistair MacLean and classic edge of your seat adventures where courage is the only weapon against impossible odds Step into this unforgettable fifth Sahara adventure now Valerie Upton Anne Douglas
