Swimming Against The Stream:

Swimming Against the Stream Jean Perraton,2013-07-29 For centuries we swam in fresh waters but today signposts forbid swimming and the Environment Agency tells us not to swim in any river lake or canal In this plea to reclaim a watery freedom Perraton marshals the words of ordinary people and evocative poets who enjoyed wild swimming and vividly recorded its delights

Swimming Against the Stream Tim Waterstone,2013-03-28 Waterstone s was DTI awarded as one of the three most financially successful business start ups of the 1980s and culturally may be considered to have changed the complexion and scale of bookselling in the British isles and Europe This massive success is in no small way due to Tim Waterstone s excellent business practices and belief that business can work for the good of the community In this book he shares his top ten rules for creating businesses and making lives using real life case studies of how businesse succeed and also how they can fail Essential reading for anyone with a dream of starting up alone

Against the Stream Gwennlian Meyrick,1953

Phraseology Sylviane Granger,Fanny Meunier,2008 Long regarded as a peripheral issue phraseology is now taking centre stage in a wide range of fields This recent explosion of interest undoubtedly has a great deal to do with the development of corpus linguistics research which has both demonstrated the key role of phraseological expressions in language and provided researchers with automated methods of extraction and analysis The aim of this volume is to take stock of current research in phraseology from a variety of perspectives theoretical descriptive contrastive cultural lexicographic and computational It contains overview chapters by leading experts in the field and a series of case studies focusing on a wide range of multiword units collocations similes idioms routine formulae and recurrent phrases The volume is an invitation for experienced phraseologists to look at the field with different eyes and a useful introduction for the many researchers who are intrigued by phraseology but need help in finding their way in this rich but complex domain
