The Road to Armageddon David Simpson, 1940 *The Road to Armageddon - a Free Spiritual Guide* Chuck Facas, 2012-09-01 Official transcript from the documentary The Road to Armageddon examines the universal concept of the Apocalypse on an intensely personal and spiritual level not as the end of the world but as the end of you your body your mind and if you're not careful your soul The film puts the viewer on the front lines of the eternal battle between good and evil combining academic interviews with firsthand accounts of divine revelation to bring fresh urgency to the teachings of the world's major religions Buddhist Jew Muslim Hindi or Christian the message is the same spread love reject hate walk in the light avoid the dark listen to the angels ignore the demons The simplest choices you'll ever make lead to the hardest path you'll ever walk

ON THE ROAD TO ARMAGEDDON Charles E. Blair, 1986 *The Road to Armageddon* Jack Tanner, 2020-01-15 The Road to Armageddon starts with the initial sin of Adam and runs through the Bible as others add their input It also traces men who sacrificed their lives to uphold the truth The Battle of Armageddon is the battle to end all battles

The Road to Armageddon C. D. Whitfield, 1998-02-01 On the Road to Armageddon Dick Perfect, 1993 The Road to Armageddon George P Moses, PhD, 2024-03-15 The book is divided into 5 parts Part 1 focuses on the impact of the conflict on our lives as we experienced it first hand by sharing stories of our tours of sites in Israel and Jordan Part 2 examines the genesis of the conflict from a Biblical perspective with God's choice of Abraham and his descendants over the nations and peoples that existed in the land of Canaan as God deals with the wickedness and rebellion of man in his judgment on same Part 3 is an overview of the efforts that have been made as possible solutions to the conflict including diplomatic efforts economic incentives and grassroots movements for peace While I believe that ultimate peace can only come through divine intervention we must still strive for peace on earth as much as possible Part 4 considers obstacles to the Two State Solution as we acquaint ourselves with the ideologies that drive the conflicts Part 5 presents the battles that stem from the deeply held religious views and ideologies culminating in the final battle of all ages and concluding with personal reflections on the spiritual dimensions of the conflicts

The Apocalypse Code Hank Hanegraaff, 2010-09-20 Hank Hanegraaff reveals the code to Revelation Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty five books of the Bible not current events or recent history and certainly not any complicated charts The Apocalypse Code offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world Provocative and passionate this fascinating book is a must read for everyone who's interested in end times controversies Lee Strobel Author *The Case for the Real Jesus* This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the Left Behind series should read this book The fog will clear and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School The Road to Armageddon Nelson Word

Publishing Group Staff, Nelsonword, 1999-05-01 The Road To Hell Dwayne Mattingly, 2022-12-15 Many people today are wanting to know Are we living in the end times What will happen before the antichrist comes into power Will America be a key player in the end times In this book I start the first chapter with what I believe will soon be coming the chip being implanted in humans I realize the mark of the beast will not be given until the antichrist comes into power Many believe it will be the chip I discuss in chapter 2 why I believe it will not be the chip Our currency as we know it today will give way to a one world currency and I discuss this in two chapters The New World Order has been discussed for many years and I want to understand where it started and where it stands now The last two chapters deal with a real hell and a real heaven Though we do not know everything about either of these we know enough that we will make an eternal choice to spend forever in one or the other How and what you do the rest of your life will determine your eternal destination I genuinely believe this book will help you understand the end times and eternity We all are on the road to hell but know heaven is only one step away **The Road to Armageddon** Peter Stiff, 1980 **On the Road to Armageddon** Timothy P. Weber, 2004 Examines dispensationalism the evangelical relationship with Israel and how it affects American politics regarding the Middle East
