The royal hunter Prudence Oliver Harper,1978 **The Royal Hunter** Donna Kauffman,2001 Animal rescue worker Talia Trahaern is swept into an enchanted world of mysterious kingdoms and dark assassins by the arrival of Devlin Archer a seductive warrior who has come to her in search of a legendary healer with the power to save his dying queen [The Royal Hunter and His Court](#) ,1978 **The Royal Hunter** Prudence Oliver Harper,1978 *ROYAL HUNTER*. ANNA. O'KEEFE,2025 **Hunters, Heroes, Kings** Hallie M. Franks,2012-10-01 This monograph considers the painted frieze on the facade of Tomb II at Vergina ca 330 280 B C as a visual document that offers vital evidence for the public self stylings of Macedonian royalty in the era surrounding the reign of Alexander the Great The hunting scene on the frieze reflects the construction of Macedonian royal identity through the appeal to specific and long standing cultural traditions which emerged long before Alexanders reign out of a complex negotiation of claims to heroic and local dynastic pasts regional ideals of kingship and models of royal behavior provided by the East **The Social Functions of Avoidances and Taboos among the Zulu** Otto F. Mierse,2022-12-01 Artifacts from the Ancient Silk Road explores the interconnectivity of the Eurasian continent from 4000 BCE to 1000 CE It focuses on the role played by Central Asia through which passed the major trade routes the Silk Roads Artifacts from the Ancient Silk Road covers life along the Silk Road over 5000 years as it can be understood by considering objects In this first object based study to consider all of the peoples involved on the Silk Roads objects provide the vehicles for explorations of different aspects of life for the various peoples of the Silk Roads including the sedentary peoples who established urban life on the Silk Roads the steppe nomads who regularly interacted with the settled peoples and the peoples at either end of the Silk Roads who drove certain kinds of economic exchanges The book looks at Central Asia as an international zone during ancient times when multiple religious political and technological ideas found acceptance in the region and allows for a better understanding of how some ideas and forms developed in Central Asia while others passed through or were modified **Male and Female in the Epic of Gilgamesh** Tzvi Abusch,2014-04-27 The deeds and struggles of Gilgamesh legendary king of the city state Uruk in the land of Sumer have fascinated readers for millennia They are preserved primarily in the Epic of Gilgamesh one of the most well known pieces of Mesopotamian literature Studying the text draws us into an orbit that is engaging and thrilling for it is a work of fantasy and legend that addresses some of the very existential issues with which contemporary readers still grapple We experience the excitement of trying to penetrate the mind set of another civilization an ancient one in this instance a civilization that ultimately gave rise to our own The studies gathered here all demonstrate Tzvi Abusch s approach to ancient literature to make use of the tools of literary structural and critical analysis in service of exploring the personal and psychological dimensions of the narration The author focuses

especially on the encounters between males and females in the story The essays are not only instructive for understanding the Epic of Gilgamesh they also serve as exemplary studies of ancient literature with a view to investigating streams of commonality between ancient times and ours
