

'God says', 'God says':

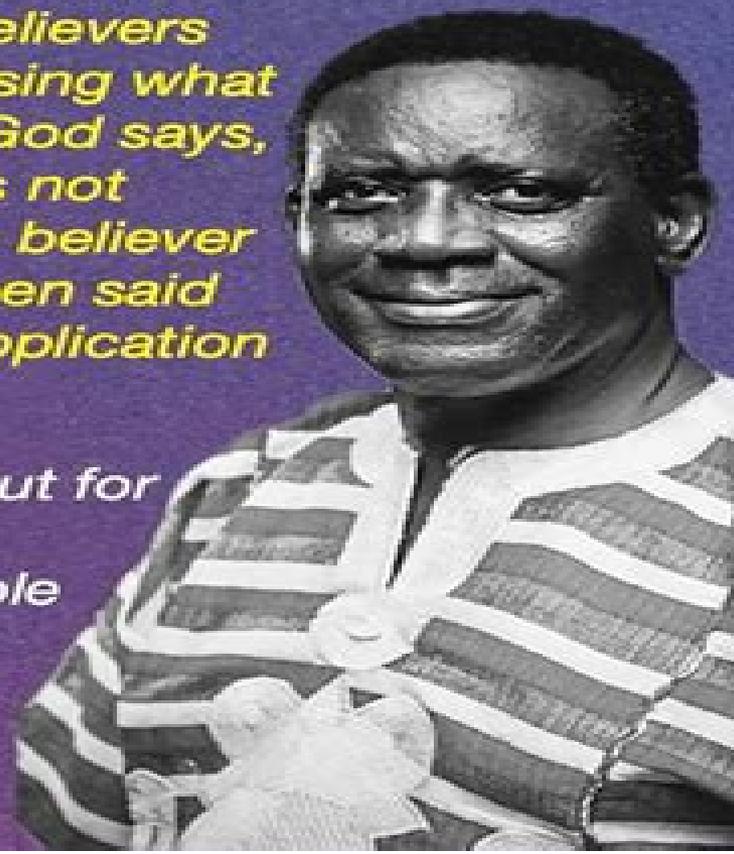

Many so called men of God have become propaganda pastors. Why so?

They consistently pronounce Biblical promises of God which are well known in scriptures, available and read by all.

A pastor or a shepherd must be a person who can help converts and other believers not only to hear what God says, or sing what God says or make a claim of what God says, which many are doing and yet life is not getting any better, but also help the believer bring God's word from what has been said into real life situation through the application of Biblical values and principles.

God's word is not for propaganda but for life, experientially powerful both to transform individual lives and disciple the nations!
