

# Victorian Workhouse

**Simon Fowler**

## **Victorian Workhouse:**

**Life in the Victorian and Edwardian Workhouse** Michelle Higgs,2007-03-01 Life in a workhouse during the Victorian and Edwardian eras has been popularly characterised as a brutal existence Charles Dickens famously portrayed workhouse inmates as being dirty neglected overworked and at the mercy of exploitative masters While there were undoubtedly establishments that conformed to this stereotype there is also evidence of a more enlightened approach that has not yet come to public attention This book establishes a true picture of what life was like in a workhouse of why inmates entered them and of what they had to endure in their day to day routine A comprehensive overview of the workhouse system gives a real and compelling insight into social and moral reasons behind their growth in the Victorian era while the kind of distinctions that were drawn between inmates are looked into which along with the social stigma of having been a workhouse inmate tell us much about class attitudes of the time The book also looks at living conditions and duties of the staff who in many ways were prisoners of the workhouse Michelle Higgs combines thorough research with a fresh outlook on a crucial period in British history and in doing so paints a vivid portrait of an era and its social standards that continues to fascinate and tells us much about the society we live in today

**Life in a Victorian Workhouse** Peter Higginbotham,2012-05-30 The word workhouse has a grim resonance even today conjuring up a vision of the darker side of Victorian Britain Almost every town had at least one workhouse and most people dreaded ending up there Here we examine how workhouses came into being what life was like for men women and children on the wrong side of the poverty line and how social attitudes evolved through the momentous events of Victorian Britain into the 20th century Illustrated from contemporary and modern sources this fact filled guide presents an intriguing picture of a world of steam engines self help service and salvation where workhouse life and workhouse reform influenced attitudes and services we now take for granted

**How the Victorians Lived** Shona Parker,2024-08-30 The Victorian era s societal changes and cultural advancements are explored through the lens of daily life The Victorian era is arguably the most exciting and invigorating reign of an English monarch ever and one of progress on a massive scale By the time Queen Victoria died in 1901 England was almost unrecognisable The Victorians neatly avoided revolution built upon what the Georgians started and turned the country into a political powerhouse which ran the biggest Empire the world had ever seen Meanwhile Victorian writers and journalists were observing questioning and recording for prosperity the life and times of what would become known as the Victorian era a steady relentless building of the modern world Using quotes from Victorian literature How the Victorians Lived will help you on your way to understanding how society coped with the upheaval of the industrial revolution during one of the most innovative centuries England has ever seen This book is a detailed exploration of the daily lives of mainly working and middle class Victorians It recreates the remarkable and wondrous world of the English Victorians their traditions their expectations their hopes and their fears and how these have shaped the society we live in today

[Jumpstart! Drama](#) Teresa Cremin,Roger

McDonald, Emma Longley, Louise Blakemore, 2009-03-23 Jumpstart Drama contains more than forty engaging practical easy to do and highly motivating drama activities which will appeal to busy primary teachers who wish to enliven their practice and make more use of drama in line with the Framework for Literacy All the activities connect to well known texts which are popular in primary classrooms and the conventions described can be used in a variety of subjects suiting a wide range of learning styles The book is organised around four sections which can be dipped into each providing rich and accessible ideas to stimulate drama in the classroom helping teachers to use stories as a basis for drama work use poetry as a stimulus for drama teach non fiction through the use of drama develop role play areas and the drama opportunities they provide Ideal for busy primary teachers who wish to encourage their pupils in drama Jumpstart Drama will help teachers to use literary and non fiction texts in a dramatic and motivating manner

**Childhood Transformed** Eric Hopkins, 1994 Childhood Transformed provides a pioneering study of the remarkable shift in the nature of working class childhood in the nineteenth century from lives dominated by work to lives centered around school The author argues that this change was accompanied by substantial improvements for many in the home environment in health and nutrition and in leisure opportunities The book breaks new ground in providing a wide ranging survey of different aspects of childhood in the Victorian period the early chapters examining life at work in agriculture and industry in the home and elsewhere while the later chapters discuss the coming of compulsory education together with changes in the home and in leisure activities A separate section of the book is devoted to the treatment of deprived children those in and out of the workhouse on the streets and also in prison industrial schools and reformatories Offering a fresh and more focused approach to the history of working class children this book should be of interest to all lecturers and students of nineteenth century social history

*Teaching History Creatively* Hilary Cooper, 2012-12-12 Fresh and innovative Teaching History Creatively will foster creativity in both learners and practitioners alike By introducing teachers to a wealth of available approaches to historical enquiry this book ensures creative active and effective learning which includes plenty of challenges clear goals and opportunity for progression Underpinned by theory and research it offers informed and practical support illustrated throughout by examples of children's work Key themes addressed include how good history education and creativity are inseparable investigating sources archaeology visits and time capsules using archives in your own research project historical agents and history detectives drama for exploring events myths and legends communicating historical understanding creatively Written by experienced authors with extensive experience of history teaching in the primary school Teaching History Creatively is an essential purchase for any professional who wishes to embed creative approaches to teaching in their classroom

**The Workhouse** Simon Fowler, 2014-09-11 A poignant account of the reality behind these famous Victorian institutions where the poor resided The Independent During the nineteenth century the workhouse cast a shadow over the lives of the English poor The destitute and the desperate sought refuge within its forbidding walls And it was an ever present threat if poor families failed to look after themselves

properly In this fully updated and revised edition of his bestselling book Simon Fowler takes a fresh look at the institution that most of us are familiar with only from Dickens novels or films and the people who sought help from it He looks at how the system of the Poor Law of which the workhouse was a key part was organized and the men and women who ran the workhouses or were employed to care for the inmates But above all this is the moving story of the tens of thousands of children men women and the elderly who were forced to endure grim conditions to survive in an unfeeling world Draws powerfully on letters from The National Archives brings out the horror but it is fair minded to those struggling to be humane within an inhumane system The Independent A good introduction The Guardian

**Poverty and the Workhouse in Victorian Britain** Peter Wood,1991 Voices from the Workhouse Peter Higginbotham,2012-10-01 Voices from the Workhouse tells the real inside story of the workhouse in the words of those who experienced the institution at first hand either as inmates or through some other connection with the institution Using a wide variety of sources letters poems graffiti autobiography official reports testimony at official inquiries and oral history Peter Higginbotham creates a vivid portrait of what really went on behind the doors of the workhouse all the sights sounds and smells of the place and the effect it had on those whose lives it touched Was the workhouse the cruel and inhospitable place as which it s often presented or was there more to it than that This book lets those who knew the place provide the answer

**Victorian Ludlow** David Lloyd,2004

A Victorian Workhouse John Barwell,1994 Describes the plight of the homeless and jobless in Victorian Britain when there was no unemployment or sickness benefits Discusses the Poor laws that provided for support from the parish and the operation of the workhouses Suggested level primary intermediate
