N., 2020-07-30 Commercial Practice is the work done for the earning acquisition and ownership of existence and within existence What one acquires the one is said to own resulting in the application of ownership to anything at all acquirable including the slave however the slave is held in possession disowned and hence cannot be said to be owned We cannot accurately say that one owns a slave nor that a slave has owner when the slave is held disowned The disowned thing has no owner The application of ownership to the slave has brought difficulty in telling the relationship between parent and child husband and wife employer and employee and citizen and state for instance as a person being owned sounds as the person being a slave We have redeemed the reality of ownership There are things one can own and things one cannot own although acquirable therefore there are things one has the Right to acquire and things one has no Right to acquire If you cannot own it and you acquire it then you have stolen it rendering you a criminal as theft is a crime Learn Commercial Practice it is the legitimate method of acquiring and possessing and ownership **Progress Report of the Chief Supervisor on the Illustration Stations** Canada. Department of Agriculture. Division of Illustration Stations, 1930 Issued 1922 34 37 in 2 parts 1 Stations in Prince Edward Island Nova Scotia New Brunswick Quebec and Ontario varies slightly and British Columbia varies slightly The Life that Wins Watchman Nee, 1986 Do you know the life that wins Are you ashamed of the kind of Christian life you live Have you failed so terribly in your striving for victory that you cry out Wretched man that I am who shall deliver me Rom 7 24 Be assured that your salvation is at hand thank God through Jesus Christ our Lord v 25 For the life that wins is not attained but obtained It is not a life changed but rather a life exchanged It is not suppression only expression It is frankly not in you yourself because it is in Christ who lives in you The life which God gives and you receive at the time you believe in His Son Jesus Christ is such a life It is a life that overcomes sin provides intimate communion with God and is full of satisfaction and power It is already in you waiting to be explored by you The secret towards experiencing its power is to let go of yourself and let Christ live instead of you This requires a childlike faith Then shall you more than conquer through Him who loves you In order to help believers into enjoying this life that wins Watchman Nee delivered a series of messages on this subject at a conference held in Shanghai China in the months of September and October 1935 He dealt with the full range of this important subject in his usual thoroughness yet simplicity and directness At that conference

the author began with the believer's personal experience which shamefully is much less than desired. Then by contrast he described the kind of Christian life as ordained by God. Next he dealt with the nature of this life that wins before he showed the way of entering into it. In more detail he treated the matters of yielding and believing which are the conditions for crossing the threshold of victory. But the author of these messages then warned his audience of the testing of faith which must follow. He exhorted believers to grow in the grace of Jesus Christ. He stressed also the need for having the note of triumph which is praise. And finally he concluded with the first and last act after victory which is consecration. These messages are now being translated from the Chinese for the first time and presented to the readers in book form. May the Lord of glory be glorified through His life being lived out in His own.
