Walking In The Midst:

Walking in the Midst Marc A. Gaines, 2005-01 This is the fourth book Stan Schmidt has written within a year It is similar to the first three in content yet his growth as a poet can be seen by the quality of poetry These poems are the transparent look into the soul of a person experiencing the deepest of trials This poetry is picturesque and heavy and the reader's attention should be captured by the brutal honesty The author lets his hair down for the world to see into his heart

The Seven Spirits for the Local Churches Witness Lee, Today we need the

intensified Spirit because of the degradation of the church When the book of Revelation was written the church had become degraded The Lord became the intensified Spirit because of the degradation of the church The history of the church tells us that even in the last part of the first century while the apostle John was still alive the church had degraded from the Spirit to religion The church had fallen from the living Spirit to dead religion It was in such a situation that the Lord wrote this book to the seven local churches using the title of the sevenfold Spirit Under the degradation of the church what we need is not religion or doctrines but the intensified Spirit **Apocalyptic Sketches** John Cumming, 1858 Ninety-nine homilies ... upon the Epistles and Gospels for forty-nine Sundays of the Christian year, tr. by J.M.
