

The Essence of Witchcraft

White Magic

Every religion has a cautionary view of magic and sorcery. Same like this Islamic teachings of the Quran strongly prohibit the use of any kind of sorcery and magic which include the powers of jinn to harm someone. From the Quran, you will find the reference to Surah Al-Baqarah (2:102). In Islam indulging of being a part of black magic is believed as a sin and takes you away from Allah.

Witchcraft white magic are somehow deeply connected with Islam and its faith practices but still, there is a lot of opposition to this thought. The practice for people's welfare and protection is somewhere a part of the white magic like Sufism or other mystical presence.
