Who Am I Anyway:

Who Am I? Tony, 2013-06-14 This book was written during some of the most intense compounding and suffering moments that I experienced What is meant literally to be head pounding and raging emotional cycles of extreme bliss to chaos and back This book is a creation through me of that nature and the strength for which is preserved within it It is a story of survival knowledge and wisdom An expression of the catacomb of life force that is also the representation of us all not as a tomb but as a vault of knowledge experiences and wisdom built on the ages of human existence from the beginning to the end I want you all to know that in the end I found gratitude for the experience even though the vortex was the most horrifying place to go Many have suffered its fate to a dismal ending of suicide yet I am a survivor one who has converted its negative energies to the positive force This force that is passed from one to another looking to focus in had found itself challenged by my own wit desires and struggles to find the truth The knowledge of its existence and the beholder of its cycle should be known by all of us so that it can be nourished for the good of humanity not the control of them The Satanist views of the days past have been inverted for the enlightenment has taken hold and will endure for the future existence of humanity My experience was like the Manchurian candidate 7 billion fold God bless him who has the strength to withstand this vortex in the next cycle God bless you all

Who Am I? Scott, 2011-10 September 6th 2006 was supposed to be just another day Not for Scott Chivinski falling forty feet and being found initially dead then with injuries that no one expected him to recover from The Hand of God in numerous unexplainable miracles compels this to be told There is more than hope for those that believe While we will never totally understand how God does take all things and make them perfect For His Glory Rom 8 28 I am His www.rscottish.blogspot.com

Who Am I? Is Who I Am Raquel Cheers, 2025-02-19 The hardest thing for Anna to do was to surrender Dying to her flesh her will her plans and desires troubled her Why Life was passing her by and there was not anything to show for it She felt ashamed Everyone had houses land families and businesses Anna had none of these She did the right things She went to worship kept the commandments saved herself for marriage and served the Lord Decades would pass and nothing Alone now forty seven she felt rejected No Boaz for her A vessel unto honor was Anna with no jewels Others would look and question her What are you waiting for Deep within her she knew God had something more for her She kept the faith She stood the test of time and resisted temptation Anna refused to be distracted and focused on God and His will She knew the plans for her were big With the words run the race that is set before you Anna stayed on course She prayed to be a jewel in God s crown As she lay at His feet she prayed that God would cover her with His skirt That she would want for nothing And God promised to set her on top of the mountain bless her and silence the naysayers She knew that God would exalt her in time and grant her permission to release His mysteries to a world that views life blindly Release mysteries to a world oblivious of a savior who was born to change humanity Anna according to Luke got several paragraphs But Anna birthed a savior from eternity into time What an honor to see victory and be a part of history Who was Anna Anna was a

mystery with a mystery Thank God for redemption **Who Am I?** Rob Gieselmann,2025-09-30 This book was written to encourage readers who feel disenfranchised from both mainline and evangelical churches most often because of hierarchy and or dogma and to help them experience God anew as Divine Mystery and perfect love Broadly this hopeful story is one of faith told in order to share about a God who can be experienced as full of unfathomable grace and love for all Early in his life Rob Gieselmann was introduced to God and Christianity through a charismatic experience of being born again but over time that experience morphed into a stilted and predictable if legalistic relationship After some struggle including the struggle over his own sexuality he encountered God a second time freeing him from any quid pro quo understanding of God s nature Although Gieselmann is the pivotal character in his own story this book is really about the mystery of God and the hope of love Interspersed throughout the narrative are spiritual vignettes that touch on matters such as the spirituality of physics and the dynamism of everyday life the lives of Jacob and the man born blind and the very human challenge of forgiving others
