## Stories From Carleton:

**Stories From Carleton, with an Introduction by W.B. Yeats** William Butler Yeats, William Carleton, 1914 This volume is a collection of stories by William Carleton including The Poor Scholar Tubber Derg The Hedge School and several others The collection is complete with an introduction and notes from William Butler Yeats Carleton it seems was not just a great author of local Irish color but was also in a sense a great historian who recorded the sites and sounds of the world around him Although he indeed alienated the sympathies of some Irishmen by his unsparing criticism of the darker side of Irish character he was also appreciated by many for his wistful Irish humor and obvious love for his country These stories are an important part of Irish literary history **Stories from Carleton** William Carleton, 2014-03 This Is A New Release Of The Original 1889 Edition Stories from Carleton William Carleton, 1889 Stories from Carleton William Carleton, 1906

**Will Carleton's Magazine Every where**, 1896 **Irish Folk Tales** Henry Glassie, 2012-09-19 Here are 125 magnificent folktales collected from anthologies and journals published from the mid-nineteenth century to the present day. Beginning with tales of the ancient times and continuing through the arrival of the saints in Ireland in the fifth century, the periods of war and family, the Literary Revival championed by William Butler Yeats, and the contemporary era, these robust and funny, sorrowful and heroic stories of kings, ghosts, fairies, treasures, enchanted nature, and witchcraft are set in cities, villages, fields, and forests, from the wild western coast to the modern streets of Dublin and Belfast. Edited by Henry Glassie. With black and white illustrations throughout. Part of the Pantheon Fairy Tale and Folklore Library. The United States Catalog, 1906 *A History of the Irish Short Story* Heather Ingman, 2009-05-14 Though the short story is often regarded as central to the Irish canon, this text was the first comprehensive study of the genre for many years. Heather Ingman traces the development of the modern short story in Ireland from its beginnings in the nineteenth century to the present day. Her study analyses the material circumstances surrounding publication, examining the role of magazines and editors in shaping the form. Ingman incorporates recent critical thinking on the short story, traces international connections, and gives a central part to Irish women's short stories. Each chapter concludes with a detailed analysis of key stories from the period discussed, featuring Joyce, Edna O'Brien, and John McGahern, among others. With its comprehensive bibliography and biographies of authors, this volume will be a key work of reference for scholars and students both of Irish fiction and of the modern short story as a genre. Shillelagh John W. Hurley, 2007 For centuries the Irish have been associated with a stick weapon called the Shillelagh. And for generations of Irishmen the Shillelagh was a badge of honor, a symbol of their courage, their martial prowess, and their willingness to fight for their rights and their honor. In modern popular culture, the Shillelagh has acquired a less appealing image, one that attempts to declaw the Irish through negative racial stereotypes of the Victorian era, which depict the Irish as harmless club-wielding Leprechauns or drunken half-witted brawlers. John Hurley's illuminating study forever alters our view of this much maligned and misunderstood cultural icon by revealing the true martial arts culture of the Irish people, its history, evolution, and decline, and the resulting effects on the Shillelagh, the most powerful and controversial of Irish icons. **Catalogue of the Books in the Department of English Prose Fiction which Belong to the Public Library of Cincinnati** Public Library of Cincinnati and Hamilton County, 1876 **The Victorian Short Story** Harold Orel, 1986-06-19 Examines the development of the Victorian short story, which by the 1890s had become the most popular literary product of the late nineteenth century. *Carleton's Stories of Irish Life*
