Quentin Tarantino FAQ Dale Sherman, 2015-02-01 FAQ Quentin Tarantino is a man who came to Hollywood and didn t break the rules so much as make plain that he didn t even notice them Making the films he wanted to see Tarantino broke through with Reservoir Dogs in 1992 and then cemented his reputation in 1994 with the

release of *Pulp Fiction*. As his fame grew he spread his love for movies that are far from commonplace through his promotion of older films and theaters and by reviving the stalled careers of actors such as John Travolta, Pam Grier and David Carradine.

Quentin Tarantino FAQ examines the movies directed by Tarantino, the influences on his work and the inspiration he gave to others. There are also chapters on certain recurring elements in his films, from fake product placement to the music actors and even cinematic moments used. The book also reviews his work in television, the articles written about him or by him over the years, his acting career, his public battles and some of the projects he abandoned along the way. It all comes together to tell the story of a man who forged his own unique path and helped shape the way movies are made today. **Roger Ebert's Movie Yearbook, 1999** Roger Ebert, 1998. Presents detailed descriptions and reviews of virtually every movie that has opened nationally over the past year, reports from the major film festivals, interviews with important movie figures and essays on the movie world. **If You Like Quentin Tarantino...** Katherine Rife, 2012-10-01. If You Like If You Like Quentin Tarantino draws on over 60 years of cinema history to crack the Tarantino code and teach readers to be confidently conversant in the language of the grindhouse and the drive-in. What fans love about director Quentin Tarantino is the infectious enthusiasm that is infused into every frame of his films. And Tarantino films lend themselves exceptionally well to reference and recommendation because each itself is a dense collage of references and recommendations. Spaghetti westerns, blaxploitation, revenge sagas, car chase epics, samurai cinema, film noir, kung fu slasher flicks, war movies, and today's neo-exploitation explosion.
