

The Button Man

Rachel S Tattersall

The Button Man:

The Button Man Wayne DePriest, 2014-09-06 The Button Man takes a button when he takes a victim And he takes a victim whenever he wants The authorities don't know he exists though he leaves them ample evidence of his existence They just don't see it As a rookie patrolman Detective Dan Finney met The Button Man in Maria Kuroshchepova's apartment Finney discovered her body tucked neatly into her bed A decade later the case is still unsolved and Detective Finney has seen the handiwork of The Button Man again and again without knowing it Saddled with a partner who seems hellbent on destroying both their careers and a girlfriend who just might take what sanity he has left Finney gradually becomes aware of a sinister force loose in the city a man who has gotten away with murder time and time again As the picture of The Button Man becomes clearer Finney comes face to face with his worst nightmare *Turning Life Into Fiction* Robin

Hemley, 2006-05-02 With lively style good humor and insight Robin Hemley helps you turn all that you experience into fresh and powerful fiction By learning to reimagine you'll focus on translating real world people and events into characters and scenes that happen on paper for the first time You'll think what if instead of what is in order to take control of your material and cut loose the inhibitions of real life In these pages you'll learn how to hone your observation skills and fill your journal with rich and vivid details Because as Hemley writes Life is in the details and so is good fiction You'll see how to decide which ideas to bring to fiction and which ones to let go And you'll learn how to find the right form novel short story vignette memoir for the story you want to tell use triggers to start your reader's imagination rolling keep your fiction emotionally honest by making the right choices between the way it happened and what the story dictates ask Is it believable not Did it happen create composites of real people and places that fit the unique needs of your story and empower your imagination focus your fiction Make sure everything every character counts and eliminate people who sit at the end of the bar without a role to play fictionalize ethically and legally other people's stories Learn your rights as a writer versus their rights to privacy Can you use actual names When do you need to get permission To illustrate how writers feed their fiction with reality Hemley uses examples from his own work and from fiction masters of yesterday and today At the end of each chapter challenging exercises help you apply the basic theories and push them even further An adventurous read *Turning Life Into Fiction* will help you create fiction that's just as strange and wonderful and real as the life that inspires it **At the Strangers' Gate**

Adam Gopnik, 2017-09-05 From The New York Times best selling author of *Paris to the Moon* and beloved New Yorker writer a memoir that captures the romance of New York City in the 1980s When Adam Gopnik and his soon-to-be wife Martha first arrived in 1980 New York City was a pilgrimage site for the young the arty and the ambitious But it was also becoming a place where both life's consolations and its necessities were increasingly going to the highest bidder *At the Strangers Gate* is a vivid portrait of this time told through the story of one couple's journey from their excited arrival as aspiring artists to their eventual growth into a New York family Through a series of comic mini anthropologies that capture the fashion publishing

and art worlds of the era Adam Gopnik transports us from his tiny basement room on the Upper East Side to a SoHo loft from his time as a graduate student cum library clerk to the galleries of MoMA Filled with tender and humorous reminiscences including affectionate reflections on Richard Avedon Robert Hughes and Jeff Koons among many others At the Strangers Gate is an ode to New York striving
