The Lay Of Threll:

TYRELL'S HEIRS v. ROUNTREE AND OTHERS, 32 U.S. 464 (1833), 1833 File No 1659 The Law Reports, 1896
Actes and Monuments of Matters Most Speciall and Memorable, Happening in the Church John Foxe, 1610 The Warlord Dean Murray, 2016-09-23 Faced with helping to murder hundreds of thousands of innocents including Brennan the rebel leader she's grown to love Skye did the only thing she could She defected and fought her way through the Society's troops bringing along all of the people who meant the most to her Armed with a captured Society dropship and the advantage of surprise Skye and Brennan finally have a chance to make a future for themselves but first they are going to have to fight their way past the Society's single most dangerous asset and this time even Skye might not be able to guarantee their success

Further Genealogical Notes on the Tyrrell-Terrell Family of Virginia and Its English and Norman-French Progenitors Edwin Holland Terrell, 1909 This examination of the Tyrrell Terrell clan stretches back to the Middle Ages finding and explaining references to ancestors who resided in Europe several centuries ago Although brief this book's contents are the result of deep researches into archival data undertaken at the beginning of the 20th century The enquiry resulted in the discovery of the family founder who was connected with the Counts of the Vexin a group of nobles who ruled lands in a time predating the Norman Conquest of England in the 11th century From here we are taken through the various manifestations of Tyrrell Terrell ancestors often recorded under a variety of different spellings due to inconsistent records keeping of the distant past Later in the enquiry we see various Tyrrell family members appear as migrants in colonial North America with records found in the archives of both New York and Boston Mentions of notable family members and their progeny also appear that readers can trace the lineages over the centuries Descendants as well as genealogy enthusiasts will find this research illuminating both in the sense of what was uncovered as well as the limitations present in sources from long ago
