The Light Ages:

The Light Ages Seb Falk, 2021-11-30 Named a Best Book of 2020 by The Telegraph The Times and BBC History Magazine An illuminating guide to the scientific and technological achievements of the Middle Ages through the life of a crusading astronomer monk Soaring Gothic cathedrals violent crusades the Black Death these are the dramatic forces that shaped the medieval era But the so called Dark Ages also gave us the first universities eyeglasses and mechanical clocks As medieval thinkers sought to understand the world around them from the passing of the seasons to the stars in the sky they came to develop a vibrant scientific culture In *The Light Ages* Cambridge science historian Seb Falk takes us on a tour of medieval science through the eyes of one fourteenth century monk John of Westwyk Born in a rural manor educated in England s grandest monastery and then exiled to a clifftop priory Westwyk was an intrepid crusader inventor and astrologer From multiplying Roman numerals to navigating by the stars curing disease and telling time with an ancient astrolabe we learn emerging science alongside Westwyk and travel with him through the length and breadth of England and beyond its shores On our way we encounter a remarkable cast of characters the clock building English abbot with leprosy the French craftsman turned spy and the Persian polymath who founded the world s most advanced observatory *The Light Ages* offers a gripping story of the struggles and successes of an ordinary man in a precarious world and conjures a vivid picture of medieval life as we have never seen it before An enlightening history that argues that these times weren t so dark after all *The Light Ages* shows how medieval ideas continue to color how we see the world today **The Light Ages** Seb Falk, 2020-09-24 Chosen as a Book of the Year by The Times Daily Telegraph TLS BBC History Magazine and Tablet Compulsive brilliantly clear and superbly well written it s a charismatic evocation of another world Ian Mortimer author of *The Time Traveller s Guide to Medieval England* The Middle Ages were a time of wonder They gave us the first universities the first eyeglasses and the first mechanical clocks as medieval thinkers sought to understand the world around them from the passing of the seasons to the stars in the sky In this book we walk the path of medieval science with a real life guide a fourteenth century monk named John of Westwyk inventor astrologer crusader who was educated in England s grandest monastery and exiled to a clifftop priory Following the traces of his life we learn to see the natural world through Brother John s eyes navigating by the stars multiplying Roman numerals curing disease and telling the time with an astrolabe We travel the length and breadth of England from Saint Albans to Tynemouth and venture far beyond the shores of Britain On our way we encounter a remarkable cast of characters the clock building English abbot with leprosy the French craftsman turned spy and the Persian polymath who founded the world s most advanced observatory An enthralling story of the struggles and successes of an ordinary man and an extraordinary time *The Light Ages* conjures up a vivid picture of the medieval world as we have never seen it before *The Light Ages* Ian R. MacLeod, 2019-03-28 MacLeod is set to become a writer of the magnitude of Dickens or Tolkien *The Guardian* Aether is industry industry is magic and the Great Guilds rule the

known world Raised amid the smokestack terraced houses and endless subterranean pounding of the aether engines of the Yorkshire town of Bracebridge Robert Borrowes is nevertheless convinced that life holds a greater destiny than merely working endless shifts for one of the Lesser Guilds Then on a day out with his mother to the strange gardens and weirdly encrusted towers of a remote mansion he encounters a wizened changeling and the young girl in her charge called Anna and glimpses a world of wonder mystery and surprise From then on as he flees to London in the hope of escape and advancement and explores its wide streets and dark alleys and all the tiers of society from the lowest to the highest he comes to realize that he holds the keys to secrets far bigger than even he imagined A dazzling melange of Dickens and Peake flavored with steampunk and magical realism yet seen through a kaleidoscopically individual gaze in The Light Ages double World Fantasy Award winner Ian R MacLeod has created a novel for this and every age Praise for The Light Ages MacLeod s descriptive powers are so effective that you can visualize every detail He skillfully incorporates literary influences ranging from William Blake to Dickens to 1984 and the working class novels of the 1950s and arrives at something original Magical visionary and enthralling The Light Ages is award winning stuff SFX Totally convincing and vividly written this book invests the dark streets of London with a magic the reader will never forget a brilliant writer Tim Powers A haunting fantasy version of Victorian England brought to life with compassionate characters and lyrical writing The Denver Post The novel s industrial alternative London echoes Dickens in its rich bleakness and M John Harrison s Viriconium in its inventive Gothic complexity A gripping page turner A hearty read Rising star Ian R MacLeod offers an original political fable rivaling in ambition and execution the very best of today s new science fantasies Michael Moorcock *The Light Ages* Lawrence A. Murray,2007-06

The Light Ages Ian R. MacLeod,2003 In this moody work set in a fantastical Age of Industry Robert Borrowes runs away from Bracebridge West Yorkshire only to find that he cannot escape from the magical secrets of his past COVID-19 and Pain Peter Harris,2022-05-26 The COVID 19 pandemic has been the cause of much pain In light of this can Christians still believe in God And if they do can they still believe that he is all good all powerful and all knowing In this book Peter Harris looks at these difficult questions and answers yes After establishing that COVID 19 is not God s judgment and without denigrating other worldviews Harris demonstrates that Christianity has a moral philosophy which has led historically to robust and compassionate responses to pandemics a response that is seen in Christian behavior today Hospitals using modern science are on the front line in the battle with COVID 19 According to Harris history demonstrates that it was Christians who first established hospitals and whose worldview gave rise to modern science in the first place Turning to philosophy Harris presents reasons to believe that God is congruent with pain with the argument from free will as his focus Finally Harris considers the pandemic from a pastoral argument analyzing the pain of grief and explaining God s rescue package from a world of pain If you want some serious reflection on COVID 19 this is a book for you **The Bookman** ,1918 *Poetry.
