The Sands:

The Heart of the Sands J. L. Doty, 2013-09-30 Now a Benesh ere slave every whiteface in the tribe hungers for Morgin s death But he is Harriok s property and while Harriok remains in a coma a victim of the venom of the sand cat s sixth claw the warriors wait and bide their time As Morgin accompanies them on the March an affinity for steel is slowly awakening within him and he truly fears the truths his growing knowledge may reveal Rhianne thinking Morgin is dead leads a lonely life as a hedge witch in a small village near the Lake of Sorrows But as she matures her powers grow far beyond those of a mere village healer She now has a personal connection to the deadly talismanic sword Morgin brought onto the Mortal Plane and as she begins to glean its true nature she fears the fate of all mankind As summer approaches and the heat of the sands of the Munjarro grows unbearable the Benesh ere are in the midst of their annual migration to the Lake of Sorrows During the two days it takes to cross the Plains of Quam their column is repeatedly attacked by companies of Kulls a game of sport for the halfmen Morgin fights beside the Benesh ere to protect the column and he reluctantly develops empathy for the whitefaces and their way of life Morgin knows he must overcome Jerst and Blesset s hatred of him and he regrets the heated words he threw at them shortly before the battle at Csairne Glen But his only recourse may be to fight them in individual mortal combat And as he tries to find a resolution to that situation he has no idea that he must again face Salula For thrice and thrice must a blade be born

The Sands of the Two Queens Jess B. Nunnelee, 2021-07-20 The Sands of the Two Queens is a novel set in Yemen in 1993 It is the story of a group of expatriates Americans British and Irish who work at an oil and gas production facility in the desert near the ancient city of Marib The facility and producing fields are located in the midst of bedouin territory The bedouins are loyal only to their tribes and recognize no government from any country They are constantly at odds with the central government in Sana a who try to control their activities The bedouins have been smugglers since time began and when the government tries to interfere with their smuggling operations the bedouin tribes fight back The expatriate oil and gas workers are caught in the middle and are used by the bedouins as bargaining chips to obtain concessions from the government Bedouins hijack the oil company vehicles disrupt the operations and even kidnap the expats to hold for ransom The irony is the bedouins do not hate the expats In fact many bedouins are actually employed by the company They treat the expats as guests while they are in custody They look upon the expats and the production facility as a gift from Allah The expats are their friends and were sent here by Allah the merciful the benevolent to be used by the bedouin tribes as is their wish
