James Ebert, 2007-12-18 This provocative in depth book focuses on the experiences of the infantry soldier in Vietnam More than 60 Army and Marine Corps infantrymen speak of their experiences during their year long tours of duty *PARTICULAR BRAVERY: The Battle of Xa Cam My and the Death of a Grunt Company* T.L. Derks, 2023-01-14 One hundred thirty six American soldiers isolated from supporting units hunted the dark jungles of Phuoc Tuy Province for the Viet Cong main force battalion D 800 The enemy found Charlie Company first Surrounded then gutted these Americans had been used as bait to draw out the enemy Charlie Company s heroic but doomed stand did not go according to American plans General William Westmoreland called the disaster a serious blow The Army Chief of Staff Harold K Johnson personally flew to Vietnam to confront Westmoreland and warn him that the American people would stop supporting the war if such costly battles continued There were heroes and there were cowards and some were both heroes and cowards They were all soldiers of the United States who were sent to fight in Southeast Asia by men in the halls of power who demonstrated no particular bravery in ordering these soldiers to fight and die Particular Bravery focuses on a company of warriors who labeled themselves grunts and honored military service as a patriotic obligation and believed fighting in Vietnam was their duty The soldiers memories are the core of Particular Bravery Here are the grunts recollections of their march to a night when 80% of them fell in battle They recall the friendly fire that shattered the unit they relive the hail of gunfire that decimated their ranks they recount the murder of their wounded friends and their own belief that as the noose tightened they were next they remember the battle s aftermath as they marched past rows of blood stained ponchos that covered their dead comrades It is also the story of unbelievable heroism as a gun ho former Marine turned Army Sergeant repeatedly risked his own life for his comrades while an Air Force Pararescue hotshot volunteered to drop into hell so that others might live **Walking Point**

Perry A. Ulander, 2016-05-17 A Vietnam War veteran paints a searing portrait of his one year tour of duty as an Army draftee shedding light on the emotional and physical casualties of war In this intimate memoir Perry A Ulander chronicles with powerful clarity the bewildering predicament he confronted and the fellowship and guidance that transformed him during the year he served as an American GI in the jungles of Vietnam Conveying with unadorned

precision the harrowing experiences that shatter his core beliefs Ulander also captures the camaraderie and humor of his platoon the hostility between lifers and draftees the physical hardships of reconnaissance missions and the unrelenting apprehension underlying everyday life Ultimately he describes the surrendering of social norms and accepted identities that allows him to glimpse a previously unimagined realm of heightened awareness Written after a lifetime of reflection on the nature of war and the effect of violence and domination on the minds and spirits of those forced to practice it *Walking Point* offers a powerful narrative for readers with an interest in the effects of war and violence American involvement in Vietnam PTSD and how trauma can be a catalyst for spiritual transformation Giving voice to profound insights gained through extreme adversity Ulander movingly captures the depth of trust and commitment among a group of unwitting warriors who struggle to stay alive and sane in uncharted territory

Acceptable Loss Gregg P. Jorgenson, 2010-08-25 In just ten months in Vietnam he was overrun shot up but not underworked he survived fifty four missions as point man He has one hell of a story to tell You didn't get into the Rangers without volunteering and you didn't stay on point unless you liked it But after watching most of his buddies die in a firefight when his LRRP team was overrun by the NVA Gregg Jorgenson volunteered to serve on a Blue Team in the Air Cavalry racing to the aid of soldiers who faced the same dangers he had barely survived Whether enduring NVA sapper attacks surviving friendly fire or landing in hot LZs Jorgenson discovered that in Vietnam you never knew whether you were paranoid or just painfully aware of the possibilities
