Whiteoak Heritage ; The Whiteoak Brothers: Jalna-1923 ; Jalna Mazo De la Roche,1955 **The Next Instalment** Wendy Roy,2019-11-28 What happens next That was the question asked of early twentieth century authors Nellie L McClung L M Montgomery and Mazo de la Roche whose stories and novels appeared serially and kept readers and publishers in a state of anticipation Each author answered through the writing and dissemination of further instalments McClung s Pearlle Watson trilogy 1908 1921 Montgomery s Anne of Green Gables books 1908 1939 and de la Roche s Jalna novels 1927 1960 were read avidly not just as sequels but as serials in popular and literary newspapers and magazines A number of the books were also adapted to stage film and television The Next Instalment argues that these three Canadian women writers all born in the same decade of the late nineteenth century were influenced by early twentieth century publication marketing and reading practices to become heavily invested in the cultural phenomenon of the continuing story A close look at their serials sequels and adaptations reveals that rather than existing as separate cultural productions each is part of a cultural and material continuum that encourages repeated consumption through development and extension of the originary story This work considers the effects that each mode of dissemination of a narrative has on the other **Jalna: Books 5-8** Mazo de la Roche,2013-08-19 Perhaps the most classic novels of Mazo de la Roche s monumental family saga are these four which were the first books written in the series though they fall in the middle of her books multi generation narrative These including the original novel Jalna were the books that first established the world of Jalna in the minds of readers and de la Roche herself and set the stage for the twelve sequels and prequels that were to follow Includes Whiteoak Heritage Whiteoak Brothers Jalna Whiteoaks of Jalna Who Were the Whiteoaks and where was Jalna? Heather Kirk,2007 Heather Kirk offers new sources for the fictional Whiteoak family in the world famous Jalna novels by Canadian author Mazo de la Roche The Whitesoaks were modelled on an ingenious combination of close relatives of de la Roche and her cousin and life long companion Caroline Clement What s more the Whiteoak s estate Jalna was based on a combination of several large properties owned by these relatives in York and Simcoe counties For the sources of the Whiteoaks and Jalna biographers would have looked beyond Halton County where de la Roche and Clement lived for a few years when they were in their thirties They also should have looked beyond Peel County where de la Roche and Clement stayed for a few seasons when they were in their forties De la Roche s knowledge of rural life came primarily from the people and places of her childhood and youth **Jalna, 6.
