## World Of Art:

**A World History of Art** Hugh Honour, John Fleming, 2005 Over two decades this art historical tour de force has consistently proved the classic introduction to humanity's artistic heritage From our paleolithic past to our digitised present every continent and culture is covered in an articulate and well balanced discussion In this Seventh Edition the text has been revised to embrace developments in archaeology and art historical research while the renowned contemporary art historian Michael Archer has greatly expanded the discussion of the past twenty years providing a new perspective on the latest developments The insight elegance and fluency that the authors bring to their text are complemented by 1458 superb illustrations half of which are now in colour These images together with the numerous maps and architectural plans have been chosen to represent the most significant chronological regional and individual styles of artistic expression

**World Art** Mike O'Mahony, 2007-05-01 The definitive reference for art lovers of any level of knowledge and understanding Packed with paintings by popular and essential artists from all over the world this comprehensive new book is organized by era to reveal the development of art over time p 4 of cover
