## **Splintered Man:**

*The Splintered Man* M. E. Chaber,1957      **Milo March #5** Kendell Foster Crossen,M.E. Chaber,2020-06-08 It s been two years since Milo March sneaked into East Germany to capture a valuable Western deserter Now as a major in the Army Reserves he is recalled to tackle a much weirder case No one knows why Hermann Gruss head of the counterespionage police in West Germany disappeared behind the Iron Curtain Did he defect voluntarily or was he taken by force Either way Milo has to get him back before he reveals secrets that the U S shared with him Some say Gruss suffers from a dread disease and is being treated in East Berlin with the latest wonder drug by his friend Dr Oderbruch Milo suspects that Oderbruch a former Nazi is experimenting on Gruss bouncing him in and out of insanity like a yo yo by dosing him with LSD then healing his schizophrenia with an antidote Withholding the antidote is a handy way to squeeze information out of Gruss and the drug experiments are part of a larger fiendish project involving mind control of the military In his effort to gain access to Oderbruch and find Gruss Milo ends up in the arms of the lustful Frau Beate who plies him with Soviet champagne and vodka Milo is reasonably safe if hangovers are the only menace But when his disguise as a Russian secret police agent is blown he is packed off to a mental hospital There he joins Gruss as the doctor s latest guinea pig Milo survived a marathon interrogation by the Communists during his last mission But this is different the hallucinogenic effects of LSD threaten to splinter his mind into pieces How will he escape the closely guarded hospital bringing both Gruss and the evil Oderbruch back with him to the West Milo s quick witted action and sheer nerve not to mention his irreverence toward authority figures on both sides make for the wildest trip of all an insane car chase back to the Free World      *The Splintered Man* Kendell Foster Crossen,1957      **Ancient Types of Man** Sir Arthur Keith,1912      **Treatment, Or Healing by True Prayer** Frederick L. Rawson,2007-04-01 Through a true communion with God argues the author it is possible to treat any and all problems from loneliness to envy to gray hair and even bad investments But the prayer that Rawson speaks of is based not upon supplication to an omnipotent being who may or may not be listening but on a simple process of denial and affirmation Using an exhaustive list of examples Rawson shows how to first deny the problem then affirm what he calls the absolute good It is only by dwelling on God s perfect world that one can find true healing This is essential reading to the faithful and a work of genuine curiosity to everyone else British engineer businessman and author FREDERICK LAWRENCE RAWSON 1859 1923 also wrote *How to Bring About Permanent Peace* 1916 *Secret of Divine Protection* 1918 and *Nature of True Prayer* 1920      *Milo March #23* Kendell Foster Crossen,M.E. rushes to save the damsel in distress and the next thing he knows he's waking up in bed with the naked body of a red haired corpse

**The Hot Ice Blues** A new jewel robbery occurs every night while Milo sits around playing Dixieland platters with a real gone chick Is the insurance company's star investigator really goofing off

**Murder for Madame** Someone swipes a worthless box tossing aside the costly pearl necklace that was inside Now four people are desperate to retrieve the box five if you count Milo who can't resist trying to figure out why

**The Red Red Flowers Major March** U S Army Reserve is sent undercover to Moscow where a captured American U 2 pilot is on trial As usual Milo has no plan but makes it up as he goes along He will have mere moments to retrieve a coded message and snatch the pilot from the Communists hands but things don't go exactly as expected

**The Twisted Trap** Just because you're paranoid doesn't mean they're not out to get you A wealthy old policyholder claims that his sexy young wife and her psychiatrist lover have teamed up to poison him with a drug that mimics the symptoms of madness If he should die accidentally as a result of this condition his wife will get an enormous life insurance payout Having escaped from a sanatorium the old man insists that Milo must rescue him But doing so may cost Milo his own sanity
