Springlore In Virginia

Daniela Niemeyer

Springlore In Virginia:

Springlore in Virginia Marshall William Fishwick, 1978 *Healing Holidays* Harish Naraindas, Cristiana Bastos, 2016-03-22 This volume on medical tourism includes contributions by anthropologists and historians on a variety of health seeking modes of travel and leisure It brings together analyses of recent trends of medical tourism such as underinsured middle class Americans traveling to India for surgery pious Middle Eastern couples seeking assisted reproduction outside their borders or consumers of the exotic in search of alternative healing with analyses of the centuries old Euro American tradition of traveling to spas Rather than seeing these two forms of medical travel as being disparate the book demonstrates that as noted in the introduction what makes patients itinerant in both the old and new kind of medical travel is either a perceived shortage or constraint at home or the sense of having reached a particular kind of therapeutic impasse with the two often so intertwined that it is difficult to tell them apart The constraint may stem from things as diverse as religious injunctions legal hurdles social approbation or seasonal affliction and the shortage can range from a lack of privacy of insurance technology competence or enough therapeutic resources that can address issues and conditions that patients have If these two intertwined strands are responsible for most medical tourism then which locales seem to have therapeutic resources are those that are either natural in the form of water or climate legal in the form of a culture that does not stigmatise patients or technological and professional in the form of tests equipment or expertise unavailable or affordable at home or in the form of novel therapeutic possibilities that promise to resolve irresolvable issues This book was originally published as a special issue of *Anthropology Medicine* *Mineral Waters and Pure Mountain Air* Mary F. Fanslow, 2026-03-04 This work explores the interconnectivity of Southern Appalachia with other regions of the United States through a historical examination of nearly 40 health resorts that once operated in Alabama Georgia South Carolina Tennessee North Carolina Kentucky Virginia and West Virginia The resorts advertised healing properties and recreational amenities attracted visitors from across the country and engaged with evolving national trends in medicine tourism and leisure Highlighting the role of these institutions as a vital nexus of exchange this work reveals the region s contributions to broader American culture and refutes the long standing stereotype of Southern Appalachia as an insular and disconnected region

Springs of West Virginia Jane S. McColloch, 1986 **Springlore in Virginia** Marshall W. Fishwick, 1978-12

Healing Waters Loring Bullard, 2004 Missouri s mineral springs and resorts played a vital role in the social and economic development of the state In *Healing Waters* Loring Bullard delves into the long history of these springs and spas concentrating particularly on the use and development of the mineral springs from 1800 to about the 1930s During this period there were at least eighty sites in the state that could be described as resorts Because so many people were drawn to the springs by their faith in the healing virtues of the springwater towns were frequently founded at the mineral springs These places fought hard to capture the attention of Missourians who were seeking better health relaxation or good times in

the late 1800s and early 1900s Bullard first examines the development of mineral water resorts in Europe from ancient times early spa traditions in America and Missouri s frontier spas He then discusses the establishment of saltworks at the state s saline springs and the importance of the early salt trade the brisk business that grew around the bottling of mineral waters the use and development of mineralized groundwater resources the geologic and biologic factors that create Missouri s mineral waters and public and professional belief in the curative values of mineral waters Healing Waters also traces the demise of Missouri s mineral water resorts and towns Well into the twentieth century when modern medicine had seemingly taken hold many physicians and scientists continued to proclaim the medicinal virtues of mineral waters However by the second quarter of the twentieth century medical science and popular opinion had discounted the immediate medical usefulness of mineral waters As advances were made in microbiology and biochemistry and with the inherent promise of drug cures orthodox medicine began to turn a cold shoulder on mineral water treatments Spa treatments with their long regimens also did not fit well with the increasingly fast paced lifestyles of the public By visiting the sites gathering local historical accounts interviewing local citizens and photographing remaining artifacts Bullard has done a masterful job in providing the answers to why these vibrant social centers came to be and why they faded

Popular Culture Frank Hoffmann, Marshall Fishwick, B Lee Cooper, 2021-03-19 A comprehensive informal overview of world history and popular culture Popular Culture From Cavespace to Cyberspace traces the history of people s cultures from primitive to postmodern times Educational informative and absorbing this book contains interesting facts on such figures as King Tut Henry Ford Bill Gates and Madonna linking you to the world past and present Popular Culture highlights important historical events such as the American French Russian and Chinese Revolutions while examining world changing social movements You will go on a journey through time exploring the cultures of the world venturing from cavespace to tomb space to temple space then medieval space to modern space and post modern epochs and finally to cyberspace While moving through cultural history you will explore such stories and discoveries as the 1991 discovery of Oetzi the Ice Man who is 5 300 years old the legends of the Greeks Romans Egyptians and Americans who or what turned on the light to the Dark Ages the impact of Ren Descartes I think therefore I am and the inspiration of the Enlightenment modernism and the determination to be up to date the incredible 20th century that McDonaldized the world postmodernism and its technology cyburbia and globalism Popular Culture contains a wide collection of stories covering cultural phenomena such as Tutmania the Crusades the Ninja Turtles Hamburger University elitism Shakespeare America s Frontier Thesis The Global Village and the coming millennium You will be intrigued by the plethora of fascinating links that Professor Fishwick makes in this comprehensive guide to ever changing popular culture

Working At Play Cindy S. Aron, 1999-05-13 In Working at Play Cindy Aron offers the first full length history of how Americans have vacationed from eighteenth century planters who summered in Newport to twentieth century urban workers who headed for camps in the hills In the early nineteenth century vacations were taken for health more than

for fun as the wealthy traveled to watering places seeking cures for everything from consumption to rheumatism. But starting in the 1850s the growth of a white collar middle class and the expansion of railroads made vacationing a mainstream activity. Aron charts this growth with grace and insight tracing the rise of new vacation spots as the nation and the middle class blossomed. She shows how late nineteenth century resorts became centers of competitive sports: bowling, tennis, golf, hiking, swimming, and boating absorbed the hours. But as vacationing grew, she writes, fears of the dangers of idleness grew with it. Religious camp grounds where gambling, drinking, and bathing on Sundays were prohibited became established resorts. At the same time self-improvement vacations began to flourish, allowing a middle class still uncomfortable with the notion of leisure to feel productive while at play. With vivid detail and much insight, *Working at Play* offers a lively history of the vacation, throwing new light on the place of work and rest in American culture.

Music for Hire Katherine K. Preston, 1983 *Lost Virginia* Bryan Clark Green, Calder Loth, William Meade Stith Rasmussen, 2001. Literally hundreds of Virginia buildings of architectural or historical interest have vanished. Most were demolished or burned while others were abandoned as populations and needs shifted. The consequence is that important models of architectural accomplishment and key symbols of human aspiration and achievement have disappeared and are largely forgotten. *Lost Virginia* is an effort to document and reconstruct the appearance of Virginia architecture in earlier times when the nation's destiny and history were intimately tied to the Old Dominion's landscape and buildings. It seeks to recover at least on paper an impression of our lost architectural heritage. Organized into categories of domestic, civic, religious, and commercial buildings, the more than three hundred vanished structures illustrated within include slave pens in Alexandria, George Washington's singular sixteen-sided barn, a one-room schoolhouse in Greene County, and the 18th century Valley homes long mistaken for forts of German-speaking settlers. Soldiers in both blue and gray tramped by the now lost Rockingham County courthouse and a cathedral-like federal post office in Roanoke joins Rockbridge County's fantastic Alleghany Hotel on the list of exceptional but short-lived buildings. Also documented are creations like Frank Lloyd Wright's Larkin Company Pavilion, destroyed just months after it had been erected for the Jamestown Tercentennial Exhibition, and the Thomas Jefferson designed Barboursville in Orange County.

West Virginia History, 1981 **Landscape** John Brinckerhoff Jackson, 1983 *A Celebration of American Music* Richard Crawford, R. Allen Lott, Carol J. Oja, 1990. Compositions, memoirs, and essays that celebrate the variety and vitality of American music. *Subject Catalog* Library of Congress, 1980 *The Romance of Reunion* Nina Silber, 1989 *Handbook of American Popular Culture* M. Thomas Inge, 1978. Library has Volumes 1 and 2 **The Letters of Basil Lanneau Gildersleeve** Basil Lanneau Gildersleeve, 1987 **Handbook of American Popular Culture: Propaganda-women: Propaganda** M. Thomas Inge, 1989. This handbook seeks to assemble in one place the basic bibliographical data needed to begin the study of most of the major areas of popular culture. Each chapter provides a brief chronological survey of the development of the medium or topic, a critical guide in essay form to the standard reference works, bibliographies, histories,

critical studies and journals a description of research centers and collections of primary and secondary materials and a bibliography of works cited in the text The revised edition includes new material and chapters on topics such as business catalogs computers dance fashion gardening and graffiti ISBN 0 313 25406 0 set lib bdg 150 00 For use only in the library
