ECSCW 2001 Wolfgang Prinz, Matthias Jarke, Yvonne Rogers, K. Schmidt, Volker Wulf, 2007-05-08 Schmidt and Bannon 1992 introduced the concept of common information space by contrasting it with technical conceptions of shared information Cooperative work is not facilitated simply by the provisioning of a shared database but rather requires the active construction by the participants of a common information space where the meanings of the shared objects are debated and resolved at least locally and temporarily Schmidt and Bannon p 22 A CIS then encompasses not only the information but also the practices by which actors establish its meaning for their collective work These negotiated understandings of the information are as important as the availability of the information itself The actors must attempt to jointly construct a common information space which goes beyond their individual personal information spaces The common information space is negotiated and established by the actors involved Schmidt and Bannon p 28 This is not to suggest that actors understandings of the information are identical they are simply common enough to coordinate the work People understand how the information is relevant for their own work Therefore individuals engaged in different activities will have different perspectives on the same information The work of maintaining the common information space is the work that it takes to balance and accommodate these different perspectives A bug report in software development is a simple example Software developers and quality assurance personnel have access to the same bug report information However access to information is not sufficient to coordinate their work

Poems and Song Lyrics of Faith and Hope Shane Rishell, 2009-05 Poems and song lyrics of faith and hope is a collection of writings that have been a work in progress over the last 20 years of my life Writings that reflect the power and love that God has for us From his passion he has for humanity by sending his son Jesus to die for our short comings to show us how to live love and forgive Along with his power to deliver us from issues that plague our lives so that we can freely worship him and give him the glory for all that he has done for us

Sports Heroes, Fallen Idols Stanley H. Teitelbaum, 2008-06-01 On the court and on the field they are the world's winners exhibiting a natural grace and prowess their adoring fans can only dream about Yet so often off the field our sports heroes lose their perspective their balance and ultimately their place In a work as timely as the latest fracas on the basketball court or the most recent drug induced scandal in the dugout Stanley H Teitelbaum looks into the circumstances behind many star athletes precipitous fall from grace In his psychotherapy practice Teitelbaum has worked extensively with professional athletes and sports agents work he draws on here for insight into the psyche of sports figures and the off the field challenges they face Considering both historical and current cases he shows how in many instances the very factors that elevate athletes to superstardom contribute to their downfall An evenhanded and honest look at athletes who have faltered Teitelbaum's work helps us see past our sports stars exalted images into what those images and their frailty say about our society and ourselves

All They Ever Wanted Tracy Solheim, 2016-03-01 In the new Second Chances novel by the author of Back to Before even love

might not prove strong enough to save a man's promising future from a woman's hidden past All he ever fought for Aspiring congressman Miles McAlister has dreamed of representing his hometown of Chances Inlet North Carolina since he was a boy So when he's asked to help run his mother's bed and breakfast he moves home and rolls out his campaign at the same time But political stardom isn't a given especially when he's expected to compromise the very ideals he's trying to uphold Making matters worse is the inn's stubborn and distractingly beautiful cook He's loved and lost before so falling for Lori Hunt is not part of his plan All she ever feared Lori just wants to do her job and be left alone until she can safely move on The last thing she needs is to get involved with her boss's son Miles proves to be too sexy to ignore however Their heated fling elicits feelings deeper than either anticipated But everything about Lori is a lie She's harboring a secret that'll destroy Miles's career and when the truth gets out it's going to shock Chances Inlet to its core forcing Miles to make the hardest decision of his life
