Understanding The Contested Auction:

Understanding the Contested Auction Ron Klinger, Andrew Kambites, 2001 Aimed at all players keen to improve their bidding skills A brilliant and original contribution to bridge writing from two outstandingly successful writers players and teachers

The Contested Auction in Bridge Roy Hughes, 2012-07 Canadian expert Roy Hughes first book Building a bidding system has become a must read for expert pairs looking to develop effective constructive bidding methods Now Hughes turns to the theory and practice of competitive auctions a critical component of the modern game Beginning again by establishing what the bidding system needs to accomplish Hughes goes on to discuss every type of contested auction and recommends useful methods and agreements from which the reader can select This is a state of the art discussion covering many topics in detail that have at best seen cursory treatment in print up to now Publisher description

Bridge Basics Ron Klinger, 2011-08-01 Bridge is hip for everyone nowadays Played in more than 100 countries Bridge has an enthusiastic following of more than 60 million people Although many believe that bridge is simply an old person's game more and more young people are taking it up and now players in their twenties are beginning to win world championship titles Completely updated and revised by champion bridge player Ron Klinger Bridge Basics explains and illustrates the basic rules of bidding play and defense in contract bridge This book will turn you into a competent and confident bridge player in no time
