When Sons Return Home John B. Murray, 2024-04-24 As I researched the title of this book I discovered that there are so many families that were torn apart by their sons or daughters They were raised with love and compassion yet they decided to venture out on their own in a far country to live a life free from the authority of their parents When life doesn't go the way they thought losing everything they inherit and ending up in low down situations they finally come to their senses What kind of sons return home to their parents

Sons of Thunder John James Boanerges, 2020-06-10 A few years ago I gave my granddaughter a KJV Bible On the inside cover I wrote In this book are all of the answers to all of life's questions At one time in our history nearly every home had a family Bible In it were kept the records of births deaths marriages and many other events that occurred in the family If a home today has a Bible it is most likely to gather dust To those who attend church it may or may not be opened up on Sunday Bible studies have become more social planning events than they have in studying the Word of God Dark days are upon us Most people have just enough religion to inoculate them against the real thing Too many have embraced their vanities and have fallen prey to the ravenous lion My prayer is that this book will prompt readers to examine more closely both what they believe and why they believe it It is my hope that the reader will become more educated and encouraged to study God's Word If this writing encourages but one soul to seek a deeper relationship with Jesus then all will have been worth every effort No greater reward can be given to the writer than to know that I had some small role to play in the salvation of a wandering soul Solomon made us to know that of the making of books there is no end The technological era that we live in has us plugged into all sorts of devices Perhaps we should unplug from the world long enough to discover what really matters
