## **Speedup Chinese:**

*Speed Up Your Chinese* Shin Yong Robson, 2018-02-05 *Speed up your Chinese* is a unique and innovative resource that identifies and explains the common errors that English speaking learners of Chinese repeatedly make. The book brings together these common errors to offer a valuable insight into the differences between English and Chinese and to reveal the inner workings of the latter allowing students to enhance their understanding and mastery of the Chinese language. Key features: organizes basic principles of Mandarin grammar into coherent categories; learner oriented and problem solving approach; analysis of approximately 150 commonly made errors; highlights and explains differences between Mandarin and English; mnemonic devices provide vital learning strategies; exercises with full answer key to reinforce learning; examples in traditional characters provided in the appendix. *Speed up your Chinese* is the ideal reference for all learners of Chinese.

Our journey starts in dusty Quetta on the borders of Iran. It is a story of the times when the main form of travel was on horse back or on foot. The luxury of road or air travel was not available to those who wished to travel to the more out of the way regions of the world at that time. This opportunity to travel was so inviting to both the author and his wife that he jumped at the chance to visit this region. The author leaves no stone unturned to complete his tour and to give us a vivid description of his travels in this remote region. In his introduction Younghusband makes a very pertinent statement when he says that our impression of the unchanging belief in the unchangeable east is shattered by the bowler hatted Chinese representative who meets our travellers. Our author takes us to many places in his journey and each step gives us a vivid idea of the vistas and ways of the people of that time. His travels awake an interest in all of us who have the wanderlust and a desire to visit distant places in this world.    Report on the Working of the Chinese Post Office China.
