Still No Problem Here:

No Problem Here Neil Davidson, Minna Liinpää, Maureen McBride, Satnam Virdee, 2018-03-15 Does Scotland have a problem with racism With its civic nationalism and welcoming attitude towards migrants and refugees Scotland is understood to be relatively free of structural and institutional racism As the contributors to this book show such generalisations fail to withstand serious investigation Their research into the historical record and contemporary reality tells a very different story Opening up a debate on a subject that has been shut down for too long No Problem Here gathers together the views of academics activists and anti racism campaigners who argue that it is vital that the issue of racism be brought into the centre of public discourse Scotland s role in maintaining and extending slavery across the British Empire is finally beginning to receive the attention it deserves Yet there is much more that needs to be said about racism in Scotland today

Issues in Mathematics Teaching Peter Gates, 2002-09-11 This book presents the key debates that the mathematics teacher will need to understand reflect on and engage in as part of their professional development Issues in Mathematics Teaching is suitable for those at initial training level right through to practising mathematics teachers Its accessible structure enables the reader to pursue the issues raised as each chapter includes suggestions for further reading and questions for reflection or debate

Schooling and Social Change 1964-1990 Roy Lowe, 2002-01-04 This is the first book to offer an overview of the ways in which the sweeping social and economic changes of the modern period have impacted on the education system Roy Lowe draws on extensive research to paint a vivid picture of the ways in which schools and universities were moulded by external events and of the part they played in promoting modernisation of society The book explores some key themes the nature of the economic transformations taking place the growing awareness of gender issues the changing ethnic composition of modern Britain the bureaucratisation of society and the rise of a new politics Exploring the links between these issues and educational provision Lowe argues that the growing political significance of educational issues is largely explained by the critical part played by the education system in providing social and economic stability during these years of swift social change Roy Lowe is Professor of Education at the University of Wales Swansea

Teaching Values and Citizenship Across the Curriculum Richard Bailey, 2014-05-12 This text presents the issues and principles for teaching values and citizenship at both primary and secondary levels based on the Crick Report and DfEE TTA guidelines It covers the whole of the curriculum and is supported by examples and key stage activities throughout

Uniting for Progress, 1996

Current Literature, 1910 *Outer Darkness* Bart Brevik, 2014-04-04 What would you do if your family was targeted for destruction by a violent Satanic cult That s the position that Jim DiMario finds himself in but has he found out too late Jim feels the comfortable predictability of his day to day routine begin to unravel when he investigates a series of bizarre animal mutilations that have recently occurred in his normally quiet upscale community Seemingly by chance he meets two strangers in his quest for the truth a sheriff s deputy and a TV news reporter each of whom have their own reasons to

investigate the grisly deeds Jim soon finds himself hip deep in trouble when adverse events start happening to his friends and family His world spinning desperately out of control Jim finally discovers that he his family and his church are the focus of a dangerous Satanic cult the shadowy Temple of Anubis who s activities and true intentions are much more sinister than mere animal mutilations With time ticking away just before Samhain the most unholy night for the occultists Jim and his new found allies face an all or nothing gamble to save his daughter s life from the hands of the Satanists who have abducted her Will he realize too late that his worst enemy is a member of his own inner circle What do reviewers say about OUTER DARKNESS A Gripping Thriller Five Stars Outer Darkness is a gripping thriller highly recommended for fans who love to be on the edge of their seat with a page turner of a truly good book Michael J Carson Midwest Book Review Bart Brevik creates compelling characters in this story some whom we can t help but like and some whom we like to hate The complex plot of OUTER DARKNESS is like several strands of silk woven together to make a strong rope you don t see how it all comes together until the stunning climax An outstanding read Major George Durgin Author of The Delta Dogs OUTER DARKNESS is an Award Winning Finalist in the Religious Fiction category of the National Best Books 2008 Awards sponsored by USA Book News
