Sherwood,2004 Certified Brave presents the story of 10 disparate personalities The bonding of these seemingly ill assorted men into a dedicated effective combat crew is our subject In reportorial conversational style we get to know each crew member and his duties We see how the B 24 Liberator operates We follow the crew from over confident early missions to the suspicion that none of them can live through the required 25 to 35 missions You ll see the triumph of the human spirit The crew keeps on flying they could quit at any time Yet each man has a personal break point If necessary each man hopes to die well protecting the plane and the crew He hopes to hang onto his mind in the process The biological animal says run away protect life The intelligent animal says get out here now forget duty I ll help you There is time seized for love in the infrequent 40 hour passes to wicked London and ancient England For a short time you would allow yourself to believe you might live Ones airplane became to each of the crew a magic and near living thing As they boarded she was just a pile of metal devoid of life With cough of one starting engine the fuselage would plane shudder awake and the plane would become a powerful machine making the crew feel vital and brave Hurt the plane with flak and cannon shell and the crew felt a sense of outrage Their child was abused The book is all action You ll be there for D Day You ll see the 5000 ship invasion fleet and the 8000 plus assorted allied aircraft You ll hear H M S Rodney s nine 16 inch guns from 4 miles up an dover plane s engines firing on shore targets Later you ll be attacked by Me 163 s The rocket
