Strange Language:

Peculiar Language Derek Attridge, 2004-08-02 First published in 1988 this classic text is established as one of the most important discussions of the language of literature Re issued as a result of recent critical interest this edition includes a new preface by the author

Dividing Reality Eli Hirsch, 1993-04-29 Why does our language divide up reality one way rather than another On what rational basis does our language contain certain kinds of general words rather than others Hirsch shows that a language can be constructed which describes reality in ways we would find absurdly irrational for example by classifying normally disparate items under the same general term The apparent irrationality of the new language does not depend on its impoverished fact stating power as this may be equivalent to the fact stating power of ordinary language the problem then is to explain exactly what is wrong with it Various options are explored and criticized such as the hypothesis that language must reflect an underlying objective distinction between natural kinds that there are pragmatic reasons for the way language functions as it does and that as a matter of metaphysical necessity strange ways of dividing up reality are constructions out of ordinary ways Having demonstrated that this newly identified problem is in fact a serious one which cannot be easily solved or brushed aside Hirsch offers his own suggestions for a possible solution

The Misunderstanding and Misinterpretation and Manipulation of the Bible by Man. Kanjela Moses, 2019-12-09 From a layman s point of view the author attempts to interpret some of the most misunderstood and misinterpreted Scriptures of the Bible in a layman s language so that they may be easily understood by those who seek to know the Word of God and so that they may not be misinterpreted by those who seek to preach the Word of God He also attempts to show how the Scriptures are manipulated by those who seek to make personal and material gain from the Word of God at the expense of their own flock This is in order that the readers of this book may understand some of the most important Scriptures of the Bible teach them within the Scriprures own accord and for all believers to be aware of the manipulators of the Word of God hiding in the church of God exploiting the very souls they are supposed to save

Unveiling the Power of Verbal Art: An Mental Sojourn through **Strange Language**

In a global inundated with displays and the cacophony of quick communication, the profound energy and emotional resonance of verbal artistry usually diminish into obscurity, eclipsed by the continuous assault of sound and distractions. Yet, located within the lyrical pages of **Strange Language**, a captivating perform of literary beauty that impulses with organic feelings, lies an memorable trip waiting to be embarked upon. Published with a virtuoso wordsmith, this mesmerizing opus guides readers on an emotional odyssey, delicately revealing the latent potential and profound impact embedded within the elaborate web of language. Within the heart-wrenching expanse of the evocative analysis, we will embark upon an introspective exploration of the book is main themes, dissect its charming writing design, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
