YOURS! WHY WE MUST HAVE IT ALL** Terry Wayne Brownlee,2019-05-15 What Do You Collect That depends on what
demographic you belong to If you grew up in the 1960s and 1970s you are either a Trekkie or a Star Wars fan Or maybe you
re more into Marvel or DC Universe Either way you know you were hooked into reliving the adventure For me I was there in
the beginning as a baby boomer with all that was on TV music and movies It was all a good place to bring you back to all the
thrill of your heroes and how one day you too can ride off into the sunset For me I did one better I got to act out a role just
like my hero and do the very things they did With what you collect you buy movies music toys and anything connected with
these treasured moments I am very sure what I collect is what people stored in their closets So sad I thought they should be
sure what they collect to their friends and to the world For what your collect and are attracted to is part of a million no
trillion dollar industry that grabs your attraction Here it begins my search on how we as baby boomers and generations
beyond get caught up once in a never ending spend cycle that must be met as each decade unfolds as each generation get
sucked into being duped and persuaded This would be the beginning of your spending habits You are very much targeted
Many do not care I too get caught up in this friendship Difference is I care and dare to ask why Why do we need to collect so
much So says I your friendly neighborhood self appointed baby boomer consumer advocate **The Three Stooges

Musings by Moss "The Book" A Collection of Articles Scott Moss, **The three stooges** ,2017 This eighth volume of *The Three Stooges Collection* features the last 32 digitally remastered shorts from 1955-1959. It also marks the end of an era for a comedy team that to this day remains unparalleled in its success and popularity. In

November of 1955 Shemp Howard died of a sudden heart attack forcing Moe and Larry to use a stand in for Shemp on some of the shorts and previously shot footage in others Moe originally wanted vaudeville veteran Joe DeRita to fill in for Shemp but he couldn't get out of his contract so Moe went with Joe Besser who was also well known on the vaudeville and burlesque circuits Columbia Pictures closed its short subjects unit in 1958 thus ending the Three Stooges run after 24 years and 190 shorts half a century later The Three Stooges are entertainment legends Their unique brand of slapstick humour and physical comedy had influenced legions of performers and lives on in such contemporary icons as Robin Williams and Jim Carrey
