In addition to discussing the history of America's most influential toys, the book contains specific entries on the individuals, organizations, companies, and publications that gave shape to America's culture of play from 1900 to 2000. Toys from the two decades that frame the 20th century are also included as bridges to the fascinating past and the inspiring future of American toys.

License Agreements Gregory J. Battersby, Charles W. Grimes, 2001-01-01. In the fast-paced multi-billion dollar licensing industry, you don't have time to reinvent the wheel every time you need to draft or negotiate a strong enforceable licensing agreement. And now you don't have to. *License Agreements: Forms and Checklists* puts at your fingertips and on your computer screen all the critical tools needed to draft, negotiate, and finalize licensing deals more quickly and effectively. Sixty fully editable sample agreements that can be easily modified to meet your needs in virtually any transaction, an introduction to each form that explains its purpose and applicability, in-depth analysis of the legal principles you must consider when drafting an agreement from both the licensor and the licensee perspective, and authoritative discussions of hot issues that will likely come up for negotiation and how to handle them. Compiled by nationally renowned licensing law authorities Gregory J. Battersby and Charles W. Grimes, this time-saving reference gives you proven, effective agreements that can be used as the starting point for the preparation and negotiation of virtually any licensing transaction. Always Current. *License Agreements: Forms and Checklists* is completely up to date. But to make sure you're always aware of the latest legal developments, you will automatically receive with no obligation to purchase supplements and/or new editions on a trial basis. You will be billed separately at the then-current price. Upon receipt, you will have 30 days to purchase or return. Of course, you may cancel this automatic updating and supplementation program at any time by simply notifying Aspen Publishers in writing.

Licensing Royalty Rates, 2013 Edition Gregory J. Battersby, Charles W. Grimes, 2012-12-01. Knowing the going royalty rate for virtually any product is as simple as reaching for the newly published *Licensing Royalty Rates 2013 Edition*. This information-packed report details the royalty rates for over 1,500 products and services in ten lucrative licensed product categories: art, celebrity, character, and entertainment, collegiate, corporate, designer, event, sports, nonprofit, and music. Setting a royalty rate too high can scare away potential licensees, while accepting a lower rate can cost licensors hundreds of thousands of dollars. *Licensing Royalty Rates 2013 Edition* provides all the information you need to calculate the right rate every time. The data in *Licensing Royalty Rates* is compiled using information from the U.S. Patent and Trademark Office. After careful review by a blue ribbon panel of expert licensing consultants uniquely qualified to know what the appropriate rate range is for specific properties in each licensing category, the information is organized into four time-saving sections that give researchers fast access to comprehensive statistical and analytical data. Royalty rate listing alphabetically by licensed product provides a detailed alphabetical listing of products and their suggested rate range across all product categories. Royalty rate listing by

international trademark class lets you quickly identify subtle royalty rate differences between similar products within specific international trademark classes Checklist of licensed products and services offers a quick reference to products with a high potential for licensing Comprehensive list of licensed products and services presents a detailed list of all surveyed products and services within a trademark class for preparing intent to use trademark applications This detailed information gives both beginning and more experienced licensing professionals the confidence needed to negotiate the maximum allowable rate regardless of the product the market and the parameters of the specific deal itself
