K. Narayan** PUTATUNDA, SARBANI (Editor),2012-02-11 Today Indian Writing in English or Indo Anglian Writing has certainly come of age with the novel having a pride of place and names such as Salman Rushdie V S Naipaul Vikram Seth Amitav Ghosh Kiran Desai and Aravind Adiga prominently figuring in the list But the credit for placing Indo Anglian writing on a high pedestal should go to earlier writers like Rabindranath Tagore Mulk Raj Anand R K Narayan and Raja Rao Among these R K Narayan is the most celebrated novelist This edited volume deals with several important Malgudi novels of R K Narayan such as *Swami and Friends* *The Bachelor of Arts* *The English Teacher* and *The Guide* and short stories and throws light on various aspects of his creative art It traces the evolution of all the genres of Indian Writing in English as well as R K Narayan the novelist The book dwells upon R K Narayan s art of characterization with reference to central male characters use of humour and the cultural milieu of Malgudi It also discusses in detail R K Narayan s standpoint regarding the actual social status of Indian women Finally the book focuses on R K Narayan s use of myths and symbols and shows how these enable him to convey artistically the implication of the experience that forms the base of the novels The book is meant for the undergraduate and postgraduate students of English Literature Besides all those readers who wish to delve deeper into the works of R K Narayan will find the book quite useful *The Palgrave Handbook of Literature and the City* Jeremy Tambling,2017-02-17 This book is about the impact of literature upon cities world wide and cities upon literature It examines why the city matters so much to contemporary critical theory and why it has inspired so many forms of writing which have attempted to deal with its challenges to think about it and to represent it Gathering together 40 contributors who look at different modes of writing and film making in throughout the world this handbook asks how the modern city has engendered so much theoretical

consideration and looks at cities and their literature from China to Peru from New York to Paris from London to Kinshasa It looks at some of the ways in which modern cities whether capitals shanty towns industrial or rust belt have forced themselves on people s ways of thinking and writing Books from India ,1975 *Perspectives on Indian Fiction in English* M. K. Naik,1985 This is the fourth and final volume in the pioneering series on Perspectives on Ma or Forms of indian English Literature edited by Professor M K Naik Following the pattern of the earlier three volumes this collection also includes two types of essays those evaluating the entire corpus of major fictionists and schools and those attempting intensive textual analyses of outstanding novels like Untouchable The Guide The Serpent and the Rope and Midnight s children The final essay on The Achievement of Indian Fiction in English is an attempt to survey the entire field and evaluate the total achievement in this genre A number of collections of critical essays on Indian fiction in English have appeared during recent years but perhaps none of them has the range and depth of this volume The contributors include distinguished scholars such as K R Srinivasa Iyengar V A Shahane D V K Raghavacharyulu PremaNandakumar and the editor M K Naik himself The carefully selective Bibliography appended to the volume has further enhanced its value as a comprehensive collection of incisive critical studies covering the entire range of Indian fiction in English and this series which is now complete easily constitutes a significant landmark in the ongoing scrutiny of Indian English literature **Journal of the Mysore University** University of Mysore,1996 **R.K. Narayan** Michel Pousse,1995 R K Narayan is not only a novelist whose fourteen novels span the last fifty years of India s history he is a humanist who draws the best possible picture of contemporary Indian middle class families This work deals with Narayan s approach to his own Indian civilization which he describes as threatened from within a slumbering routine seems to have overtaken every activity and from without the West increasingly makes its way into the country Narayan s unique use of English and his treatment of the novel as a form of art are analyzed along with the author s evolution as he describes the problems of Indian individuals faced with an uncertain future in a fast changing society The Fire and the Offering S. C. Harrex,1977 **The Indian Novel in English** Dieter Riemenschneider,2005 Range of readings by Indian and international critics over a period of six decades or from the beginnings of a critical discourse in the 1930s until the present time The four chapters of the book offer a critical investigation into the reception of the novel genre as such and of the works of its three founding fathers viz Mulk Raj Anand R K Narayan and Raja Rao The latter chapters are supplemented by a list of the respective author s novels the most comprehensive critical bibliography to date and a list of critics that includes their publications dates Following the development of both the emergence of the modern Indian novel in English since the mid 1930s and its critical evaluation Riemenschneider illustrates the at times controversial reaction to a new literary genre as well as the national and international shifts of the critical literary discourse from the earlier close reading approach of New Criticism to the more recent employment of postmodern and postcolonial theorems The Indian Novel in English thus offers the reader insight into the development of a particular regional critical scene as well as into the

general critical concern with what is now referred to as postcolonial literature No serious student of the Indian novel in English should miss this comprehensive informative and balanced critical study
