The White Nationalist Skinhead Movement Robert Forbes, Eddie Stampton, 2015-11-09 When Feral House first published the award winning Lords of Chaos The Bloody Rise of the Satanic Metal Underground little was known about the black metal genre of music or how many of its members were involved in the murder of citizens the torching of churches or its link to Fascist ideas We've all heard about the racist form of skinhead punk music but little do we know of the groups involved and how they got involved in right wing political movements The White Nationalist Skinhead Movement is the first book to provide much more than mere photographs of the scene documenting the bands their members the releases shows and infamous events Robert Forbes and Eddie Stampton can authoritatively speak of the movement obtaining first hand material from members of the scene This book covers both British and American bands and even if you revile the movement its ideas and its music this is an important piece of pop culture history Feral House's controversial Lords of Chaos has sold over one hundred thousand copies

Stormdancer Jay Kristoff, 2012-09-18 The first in an epic new fantasy series introducing an unforgettable new heroine and a stunningly original dystopian steampunk world with a flavor of feudal Japan

A DYING LAND The Shima Imperium verges on the brink of environmental collapse an island nation once rich in tradition and myth now decimated by clockwork industrialization and the machine worshipers of the Lotus Guild The skies are red as blood the land is choked with toxic pollution and the great spirit animals that once roamed its wilds have departed forever

AN IMPOSSIBLE QUEST The hunters of Shima's imperial court are charged by their Shogun to capture a thunder tiger a legendary creature half eagle half tiger But any fool knows the beasts have been extinct for more than a century and the price of failing the Shogun is death

A HIDDEN GIFT Yukiko is a child of the Fox clan possessed of a talent that if discovered would see her executed by the Lotus Guild Accompanying her father on the Shogun's hunt she finds herself stranded a young woman alone in Shima's last wilderness with only a furious crippled thunder tiger for company Even though she can hear his thoughts even though she saved his life all she knows for certain is he'd rather see her dead than help her But together the pair will form an indomitable friendship and rise to challenge the might of an empire
