Storm Within:

The Familiar, Volume 1 Mark Z. Danielewski, 2015-05-12 From the author of the international best seller *House of Leaves* and National Book Award nominated *Only Revolutions* comes a monumental new novel as dazzling as it is riveting *The Familiar Volume 1* ranges from Mexico to Southeast Asia from Venice Italy to Venice California with nine lives hanging in the balance each called upon to make a terrifying choice They include a therapist in training grappling with daughters as demanding as her patients an ambitious East L A gang member contracted for violence two scientists in Marfa Texas on the run from an organization powerful beyond imagining plus a recovering addict in Singapore summoned at midnight by a desperate billionaire and a programmer near Silicon Beach whose game engine might unleash consequences far exceeding the entertainment he intends At the very heart though is a twelve year old girl named Xanther who one rainy day in May sets out with her father to get a dog only to end up trying to save a creature as fragile as it is dangerous which will change not only her life and the lives of those she has yet to encounter but this world too or at least the world we think we know and the future we take for granted With full color illustrations throughout Like the print edition this eBook contains a complex image based layout It is most readable on e reading devices with larger screen sizes

Poltergeist Rob McLaughlin, 2023-07-01 Created by Steven Spielberg yet officially directed by Tobe Hooper *Poltergeist* 1982 can be best described as family horror movie both in its target audience and in its narrative context the story of an All American suburban family the Freeling's whose home suddenly becomes the site of a spectacular haunting apparently summoned by their young daughter The film is somewhat of an anachronism and this *Devil's Advocate* explores this in both the scope of production and narrative The book discusses the duality of the text highlighting debates surrounding both Spielberg's somewhat saccharine portrayal of middle class Americana and his more subversive cinematic endeavours The duality of the text also will also be discussed in the context of the film's production with both Spielberg and Hooper on set for much of the time the result was a movie with the production values effects and marketing of a high budget mainstream cinema blockbuster apparently directed by a subversive grindhouse cinema auteur Yet *Poltergeist* is neither nor both of those things instead being a unique hybrid of genres and styles taking the best and worst from both aspects of family blockbuster and cult horror film and as such can be seen as a text that is something unique a classic modern take on the traditional haunted house story
