

A person is walking away from the viewer on a sandy beach towards the ocean at sunset. The sun is low on the horizon, creating a golden glow over the water and sky. The person's shadow is cast on the sand. In the foreground, a series of footprints are visible in the sand, leading from the bottom left towards the person in the distance.

FOOTPRINTS

One night I dreamed a dream,
I was walking along the beach with my Lord.
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of footprints
in the sand, one belonging to me
and one to my Lord.

When the last scene of my life shot before me
I looked back at the footprints in the sand.
There was only one set of footprints.
I realized that this was at the lowest
and saddest times of my life.

This always bothered me
and I questioned the Lord about my dilemma.

"Lord, you told me when I decided
to follow You, You would walk and talk
with me all the way. But I'm aware
that during the most troublesome times
of my life there is only one set of footprints.

I just don't understand why,
when I needed You most, You leave me."

He whispered, " My precious child,
I love you and will never leave you
never, ever, during your trials and testings.
When you saw only one set of footprints
it was then that I carried you."
