The Triangle Fire

Albert Marrin

The Triangle Fire:

The Triangle Shirtwaist Factory Fire Jacqueline Dembar Greene,2007-01-01 Discusses the 1911 fire that killed 146 New York garment factory workers the conditions that led up to it and reforms in legislation regarding workplace safety

The Story of the Triangle Factory Fire Zachary Kent,1989 Describes the 1911 fire at the Triangle Shirtwaist factory in New York the conditions surrounding the disaster and its effect on industrial safety after the event

The Triangle Shirtwaist Factory Fire Brenda Lange,2009 In the early years of the twentieth century conditions were harsh in factories all over New York City but they proved devastating at one in particular On March 25 1911 a fast moving fire destroyed the top three floors of the building in which the Triangle Shirtwaist factory was located One hundred and forty six young women and several men died in the worst workplace disaster to take place in the United States to that date Cluttered and unsanitary conditions in the factory contributed to the blaze but what fueled the public s outrage was the failure of the factory s owners to establish and maintain a safe working environment in the first place The fire at the Triangle factory inspired dozens of reforms and spurred legislation to enforce workplace safety It also contributed to an awakening attitude of social awareness and responsibility nationwide

The Triangle Fire, Centennial Edition Leon Stein,2010-12-16 March 25 2011 marks the centennial of the Triangle Shirtwaist Factory fire in which 146 garment workers lost their lives A work of history relevant for all those who continue the fight for workers rights and safety this edition of Leon Stein s classic account of the fire features a substantial new foreword by the labor journalist Michael Hirsch as well as a new appendix listing all of the victims names for the first time along with addresses at the time of their death and locations of their final resting places

The Triangle Shirtwaist Factory Fire Marc Tyler Nobleman,2008 Presents the history of the famous fire in New York that prompted outrage and reform of working conditions

[The Triangle Shirtwaist Factory Fire](#) Sabrina Crewe,Adam Schaefer,2004-01-04 Discusses the 1911 fire that destroyed New York City s Triangle Shirtwaist Factory and killed over one hundred workers and looks at its causes and the reforms that came as a result of the tragedy

Flesh and Blood So Cheap: The Triangle Fire and Its Legacy Albert Marrin,2011-11-14 On March 25 1911 the Triangle Shirtwaist Factory in New York City burst into flames The factory was crowded The doors were locked to ensure workers stay inside One hundred forty six people mostly women perished it was one of the most lethal workplace fires in American history until September 11 2001 But the story of the fire is not the story of one accidental moment in time It is a story of immigration and hard work to make it in a new country as Italians and Jews and others traveled to America to find a better life It is the story of poor working conditions and greedy bosses as garment workers discovered the endless sacrifices required to make ends meet It is the story of unimaginable but avoidable disaster And it the story of the unquenchable pride and activism of fearless immigrants and women who stood up to business got America on their side and finally changed working conditions for our entire nation initiating radical new laws we take for granted today With *Flesh and Blood So Cheap* Albert Marrin has crafted a gripping nuanced and poignant

account of one of America's defining tragedies **The Triangle Shirtwaist Factory Fire** Steven Otfinoski, 2014 Explains the Triangle Shirtwaist Factory fire including its chronology, causes, and lasting effects *The Triangle Shirtwaist Factory Fire of 1911* Janell Broyles, 2003-12-15 Describes the 1911 fire that destroyed New York City's Triangle Shirtwaist Factory and killed nearly one hundred and fifty workers, examining its causes and the reforms that came as a result of the tragedy

[The Triangle Shirtwaist Factory Fire](#) Jessica Gunderson, 2006-08 In graphic novel format tells the story of the Shirtwaist factory fire of 1911 *The Triangle Fire* Jo Ann Argersinger, 2016-04-01 This new edition reflects and reinforces the continuing popular interest in the Triangle Fire of 1911. The Introduction provides critical context by exploring the demands industrialization placed upon urban working women, their fight to unionize, and the fire's significance in the greater scope of labor reform. By adding new sources that elevate the voices of immigrant women workers as they organized to gain better working and living conditions, Jo Ann E. Argersinger challenges students to analyze the important political and economic roles held by these factory girls. The diversity of sources helps to engage students as they explore the impact of a major event in a significant era of American history. Several pedagogical tools are also included to aid students' understanding and analysis: headnotes preceding each document offer critical historical context; a chronology of the strike and fire is provided for historical reference; questions for consideration are designed to stimulate deeper analysis; and a bibliography with suggested sources and a list of relevant Web sites encourage further exploration of the topic. *The Triangle Factory Fire* Victoria Sherrow, 1995 Describes the 1911 fire at the Triangle Shirtwaist factory in New York, the conditions surrounding the disaster, and its effect on industrial safety after the event

The Triangle Shirtwaist Factory Fire Rachel A. Bailey, 2014-08-01 This book relays the factual details of the story of the Triangle Shirtwaist Factory fire of 1911. The narrative provides multiple accounts of the event, and readers learn details through the point of view of a teenage girl worker, a New York socialite, and a responding fireman. The text offers opportunities to compare and contrast various perspectives in the text while gathering and analyzing information about a historical event. *Triangle* David Von Drehle, 2003 Describes the 1911 fire that destroyed the Triangle Shirtwaist factory in New York's Greenwich Village, the deaths of 146 workers in the fire, and the implications of the catastrophe for twentieth-century politics and labor relations *The New York City Triangle Factory Fire* Rob Linne, Adrienne Sosin, Joel Sosinsky, 2011 On March 25, 1911, flames rapidly consumed everything within the Triangle Waist Company factory, killing 146 workers. The victims, mostly young Jewish and Italian immigrant women, died needlessly due to unsafe working conditions such as locked or blocked doors, narrow stairways, faulty fire escapes, and a lack of sprinklers. Until September 11, 2001, the Triangle fire was the deadliest workplace disaster in New York City history. Mass grief and outrage spread from New York's Lower East Side across the country. Garment union membership swelled, and New York politics shifted dramatically toward reform, paving the way for the New Deal and ultimately the workplace standards expected today. Through historic images, *The New York City Triangle Factory Fire* honors the victims' sacrifice and serves as a

reminder of the ongoing struggle for the dignity of all working people **See You in the Streets** Ruth Sergel, 2016-06-01
2017 American Book Award Winner from the Before Columbus Foundation In 1911 a fire at the Triangle Shirtwaist Factory
in New York City took the lives of 146 workers most of them young immigrant women and girls Their deaths galvanized a
movement for social and economic justice then but today s laborers continue to battle dire working conditions How can we
bring the lessons of the Triangle fire back into practice today For artist Ruth Sergel the answer was to fuse art activism and
collective memory to create a large scale public commemoration that invites broad participation and incites civic
engagement See You in the Streets showcases her work It all began modestly in 2004 with Chalk an invitation to all New
Yorkers to remember the 146 victims of the fire by inscribing their names and ages in chalk in front of their former homes
This project inspired Sergel to found the Remember the Triangle Fire Coalition a broad alliance of artists and activists
universities and unions more than 250 partners nationwide to mark the 2011 centennial of the infamous blaze Putting the
coalition together and figuring what to do and how to do it were not easy This book provides a lively account of the
unexpected partnerships false steps joyous collective actions and sustainability of such large public works Much more than
an object lesson from the past See You in the Streets offers an exuberant perspective on building a social art practice and
doing public history through argument and agitation creativity and celebration with an engaged public **The Triangle
Shirtwaist Factory Fire and the Fight for Workers' Rights** Julie Gilbert, 2021 **The Triangle Shirtwaist Factory
Fire, March 25, 1911** ,2006 A compilation possibly made by Senator Serphin R Maltese of photocopied articles about the
fire both contemporary with the event and subsequent reflections on it Talking to the Girls Edvige Giunta, Mary Anne
Trasciatti, 2022-03-22 Candid and intimate accounts of the factory worker tragedy that shaped American labor rights On
March 25 1911 a fire broke out on the eighth floor of the Asch Building in Greenwich Village New York The top three floors
housed the Triangle Waist Company a factory where approximately 500 workers mostly young immigrant women and girls
labored to produce fashionable cotton blouses known as waists The fire killed 146 workers in a mere 15 minutes but pierced
the perpetual conscience of citizens everywhere The Asch Building had been considered a modern fireproof structure but
inadequate fire safety regulations left the workers inside unprotected The tragedy of the fire and the resulting movements for
change were pivotal in shaping workers rights and unions A powerful collection of diverse voices Talking to the Girls Intimate
and Political Essays on the Triangle Fire brings together stories from writers artists activists scholars and family members of
the Triangle workers Nineteen contributors from across the globe speak of a singular event with remarkable impact One
hundred and eleven years after the tragic incident Talking to the Girls articulates a story of contemporary global relevance
and stands as an act of collective testimony a written memorial to the Triangle victims Fragments from the Fire Chris
Llewellyn, 1987
