Subsidizing Capitalism:

Subsidizing Capitalism Tamar Diana Wilson, 2012-02-01 In Mexico self employed brickmakers support capitalist enterprise by providing bricks to build hotels factories office buildings and shopping malls at costs lower than those based on profit making principles Combining Chayanovian and neo Marxist approaches *Subsidizing Capitalism* asserts that the economic activities of these self employed brickmakers may be considered counterhegemonic because they avoid proletarianization in the formal sector Tamar Diana Wilson discusses the similarities between peasants and brickmakers the structural position of garbage pickers in relation to brickmakers the trajectory from piece worker to petty commodity producer to petty capitalist the economic value of women s and children s work as part of the family labor force and how the neopatriarchal household is intrinsic to petty commodity production Interspersed throughout are short stories and poems that offer the brickmakers perspectives and provide a rarely seen look into their lives [Toward a Feminist Theory of the State](#) Catharine A. MacKinnon, 1991-09-01 This book presents MacKinnon s powerful analysis of politics sexuality and the law from the perspective of women Using the debate over Marxism and feminism as a point of departure MacKinnon develops a theory of gender centered on sexual subordination and applies it to the state

Mentoring, Methods, and Movements: Colloquium in Honor of Terence K. Hopkins by His Former Students and the Fernand Braudel Center for the Study of Economies, Historical Systems, and Civilizations

Immanuel M. Wallerstein, Mohammad H. Tamdgidi, 2017-01-01 Terence Kilbourne Hopkins 1929 1997 was a hidden gem of the field of world systems studies who contributed indispensably to its foundation amid a lifelong collaboration and friendship with Immanuel Wallerstein His pedagogical humanism methodological rigor and scientific commitment to social change merged with his creatively flexible administrative skills to found the Graduate Program in Sociology at Binghamton University SUNY The student centered autonomous program fostered the formation of critically minded scholars who pursue transdisciplinary sociology while fusing deeply personal commitments to long term large scale social change In this significantly updated twentieth anniversary second edition of *Mentoring Methods and Movements* Terence K Hopkins s former students organizing and contributing to a colloquium in his honor a few months before his untimely passing in January 1997 share key insights about what made him so unique and impactful in shaping their practices of engaged sociology informed by an always open dynamic and self reinventing World Systems Analysis The new edition includes a comprehensive chronological works citations bibliography of Terence K Hopkins a new postscript essay reflecting and building on other contributions in the volume updates on the contributors background and works a reorganized photo gallery and cover design and a detailed subject index that can be a helpful guide to the many aspects of Hopkins s thought and pedagogy from the points of view of his students colleagues From the Inside For several years now we sociologists have heard much talk about structure and agency This distinction can make little sense to students of Hopkins who always insisted that social structures are formed reproduced and reformed by the

agency of actors Walter Goldfrank U C Santa Cruz How did Terry do it William G Martin Binghamton University Hopkins s insistent questioning opened the door to the creation of an alternate apparatus of discourse the very flexibility of which allows the emerging debates of world scale historical social sciences to be joined Ravi A Palat Binghamton University Hopkins was attacking the idiographic nomothetic distinction through the pedagogy The pedagogy assumed that the student had to work hard as a student inventing and then had to continue inventing forever after Immanuel Wallerstein Yale University But then again I cannot think of a better way to reflect on Hopkins s work than approaching it from a personal perspective That is how he always approached his own work after all and he encouraged us to do so as well Resat Kasaba University of Washington The vision of methods Terence Hopkins has offered includes this invitation to a special sort of imaginative social action think the past to make a past with the purpose of making the future by thinking a future Richard Lee Binghamton University This is not going to be a personal speech but the invisible hand of Terence K Hopkins lies about me and in most of what I ve written since I left Binghamton Philip McMichael Cornell University The study of regionalism vis a vis globalism parallels the two poles of Terence Hopkins s own intellectual development which began with the study of small group interaction and culminated with a focus on the dynamics of the world system Elizabeth McLean Petras Scholar and Author even the Hopkins phrases were not immune to skeptical support Exhibiting his characteristic penchant for sustained auto critique Hopkins wrote in the margins of the paper Beverly Silver Johns Hopkins University He was a tireless and merciless critic Yet I never felt demeaned or belittled He pounded home time and again that it was not helpful to view race and class as binary opposites Rod Bush 1945 2013 St John s University key points in the work of Hopkins elucidate productive ways of meeting the criteria set by feminists for the study of gender World systems analysis has thus far not dealt with subjective and objective self and society as dimensions of the modern world system Critique of these as discrete units of analysis is implicit in world systems analysis but focused attention on these is the contribution of feminist theory to the discussion of unit of analysis Nancy Forsythe Feminist Scholar and Activist The time I was fortunate to spend with him allowed me to have a sense of his profound concern about the welfare of humanity and commitment to the cause of the unprivileged Lu Aiguo Inst of World Economies and Politics Chinese Academy of Social Science Beijing It was not what Hopkins actually said to me that mattered not his educational program nor even his parenthetical letters but what he is and now what he was a style of being alive a magical dance he does with his body or with you or with parts of who he was a dance in which he laughs turning away just enough to help you see it is not you he is laughing at but us Evan Stark Rutgers University Gathered in this volume are sociologically imaginative world systems analyses of Terence K Hopkins amid the world historical public issues that deeply troubled him personally and are even more prevalent today Mohammad H Tamdgidi UMass Boston OKCIR **Nature, Knowledge and Negation** Harry F. on the increasingly questionable possibility of shared knowledge at a time of increasing fragmentation of common frameworks distraction from key issues and dilution of the idea of objectivity *Unnecessary Business Subsidies* United States. Congress. House. Committee on the Budget,1999 **Reclaiming the Discarded** Kathleen M. Millar,2018-01-19 In *Reclaiming the Discarded* Kathleen M Millar offers an evocative ethnography of Jardim Gramacho a sprawling garbage dump on the outskirts of Rio de Janeiro where roughly two thousand self employed workers known as catadores collect recyclable materials While the figure of the scavenger sifting through garbage seems iconic of wageless life today Millar shows how the work of reclaiming recyclables is more than a survival strategy or an informal labor practice Rather the stories of catadores show how this work is inseparable from conceptions of the good life and from human struggles to realize these visions within precarious conditions of urban poverty By approaching the work of catadores as highly generative Millar calls into question the category of informality common conceptions of garbage and the continued normativity of wage labor In so doing she illuminates how waste lies at the heart of relations of inequality and projects of social transformation *Routledge Library Editions: Women and Politics* Various,2021-06-23 *Routledge Library Editions Women and Politics* 9 Volume set presents titles originally published between 1981 and 1993 The set draws attention to the importance of women and how their presence and active involvement in politics and related fields during the twentieth century has been crucial throughout the world

Family Studies Anuja Agrawal,2024-10-31 Within the social political and economic contexts existing in modern day India family is neither a simple remnant of tradition nor a domain merely representing insulated private lives Rather it is implicated in malleable yet overpowering structures relationships and practices If the family is a crucial site of ideological and imaginative investments playing a critical role in reproducing and defining contemporary selves and societies families are responsive to and constrained by the complex dynamics in which they are enmeshed Family relationships remain fundamental to survival and security even as policy and legislative imperatives as well as reproductive and communication technologies play a crucial role in reshaping them Critically interrogating the extant approaches to and concepts within the study of family *Family Studies* brings together diverse contributions by scholars from varied backgrounds to focus upon issues central to the conceptualization of family and their implications for Indian society The chapters in this volume make a strong case for why family as an ideological construct and families as a multitude of lived relationships should continue to be subjects of critical social scientific attention .,1976 **Corporate Welfare** James T. Bennett,2015-06-03 From the time of Alexander Hamilton s Report on Manufactures through the Great Depression American towns and cities sought to lure footloose companies by offering lavish benefits These ranged from taxpayer financed factories to tax exemptions to outright gifts of money This kind of government aid known as corporate welfare is still around today After establishing its historical foundations James T Bennett reveals four modern manifestations His first case is the epochal debate over government subsidy of a supersonic transport aircraft The second case has its origins in Southern factory relocation programs of the

1930s the practice of state and local governments granting companies taxpayer financed incentives The third is the taking of private property for the enrichment of business interests The fourth export subsidies has its genesis in the New Deal but matured with the growth of the Export Import Bank which subsidizes international business exchanges of America s largest corporate entities Bennett examines the prospects for a successful anti corporate welfare coalition of libertarians free market conservatives Greens and populists The potential for a coalition is out there he argues Whether a canny politician can assemble and maintain it long enough to mount a taxpayer counterattack upon corporate welfare is an intriguing question

Feminist Frontiers ,1983 **The Women's Annual, 1982-1983** Barbara Haber,1983 Subsidies to Chinese Industry Usha C.V. Haley,George T. Haley,2013-03-27 Government subsidies have contributed to China s success as manufacturer and exporter in capital intensive industries China s state capitalist regime uses subsidies to stabilize and create common understandings of markets among governments and firms This book also covers government policies and regulation on subsidies broadly focusing on domestic consumption antidumping and countervailing duties and domestic production indigenous innovation **Ideology and Public Policy** Dany Lacombe,1988 The study of pornography is used here for the first time to demonstrate the role of the state in manipulating social problems through moral panic The book examines critically the views of the various interest groups involved in the debate over pornography Alongside the puritanism of conservatives and the laissez faire attitude of liberals a feminist critique of sexuality in patriarchal culture has now been developed one in danger of being co opted by the same repressive patriarchal culture *The New Age* Arthur Moore,1927

Marxism, an American Christian Perspective Arthur F. McGovern,1980 Quest ,1976 *Democratization in Africa* Earl Conteh-Morgan,1997-03-25 In this stimulating and carefully researched study Conteh Morgan offers a multidimensional look at the political economy of African states While many books focus on explanations of the processes and outcomes of political transitions this work demonstrates a deeper understanding of democratization by combining macro and micro issues and actors and historical and contemporary dynamics into a theoretical framework that underscores anomalies dilemmas and paradoxes in the political transformation of Africa Offering one of the first detailed and balanced evaluations of democratization Conteh Morgan breaks new ground by providing thought provoking insights into political transitions in developing countries The work will be of interest to scholars in comparative politics development studies and African studies
