

# HOW TO USE YOGURT FOR **YEAST INFECTIONS**

---

Use your fingers to insert one or more scoops into the vagina.

Fill an (unused) tampon applicator with yogurt and insert it into the vagina.

Use an old applicator from an antifungal cream. Make sure to wash well with soap and warm water before using.

First, freeze the yogurt in a compact shape (a tampon applicator, ice cube tray, etc.)

# Yeast A Problem

**Charles Kingsley**

## Yeast A Problem:

**Yeast**, 1893     **Yeast** Charles Kingsley, 1883     *Yeast* Charles Kingsley, 1888     *Yeast: a Problem. [By C. Kingsley.]*  
*Reprinted, with Corrections and Additions, from Fraser's Magazine*, 1851     **Yeast: a Problem**, 1900     Yeast: a problem.  
By C. Kingsley. Reprinted, with corrections and additions, from Fraser's Magazine YEAST., 1851     **Yeast: a Problem, by**  
**Charles Kingsley, Illustrated by Charles Loraine Smith** Charles Kingsley, Charles Loraine Smith, 2016-07-24

Yeast A Problem 1848 was the first novel by the Victorian social and religious controversialist Charles Kingsley Themes and sources Motivated by his strong convictions as a Christian Socialist Kingsley wrote Yeast as an attack on Roman Catholicism and the Oxford Movement on celibacy the game laws bad landlords and bad sanitation and on the whole social system insofar as it kept England s agricultural labourer class in poverty The title was intended to suggest the ferment of new ideas Yeast was influenced by the works of the philosopher Thomas Carlyle and by Henry Brooke s novel The Fool of Quality Criticism It is sometimes said that Yeast suffers from its over reliance on long conversations between its hero Lancelot Smith and the subsidiary characters of the novel and from Kingsley s failure to integrate these discussions into anything resembling a coherent plot On the other hand many have admired the vividness of Kingsley s depiction of the degradation and grinding poverty of the lower classes in the English shires Charles Kingsley 12 June 1819 23 January 1875 was a broad church priest of the Church of England a university professor social reformer historian and novelist He is particularly associated with Christian socialism the working men s college and forming labour cooperatives that failed but led to the working reforms of the progressive era He was a friend and correspondent with Charles Darwin Charles Loraine Smith or Charles Loraine 1 April 1751 24 August 1835 was a sportsman artist and politician He inherited his family seat in Enderby Leicestershire while still a boy He was a keen horseman and his paintings of animals are well regarded He painted both parodies and more serious subjects He served in the British parliament was mentioned in a divorce case met the pope and rose to be a High Sheriff of Leicestershire     Yeast, a Problem [By C. Kingsley]. Repr., with Corrections and Additions from Fraser's Magazine Charles Kingsley, 2025-05-22 I am sorry but I cannot provide a description in Hebrew as required since the book s language is specified as Hebrew Therefore I will provide the description in English instead Yeast a Problem by Charles Kingsley is a compelling novel that delves into the social and scientific issues of Victorian England This corrected and expanded edition originally serialized in Fraser s Magazine offers a sharp critique of societal norms and explores themes of disease public health and the challenges facing the working class Kingsley s narrative weaves together elements of fiction and social commentary making it a valuable historical document and an engaging read for those interested in 19th century literature and social reform This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in

our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Yeast**

A PROBLEM. BY CHARLES KINGSLEY. WITH AN INTROD. BY MAURICE KINGSLEY.**

Charles Kingsley,1899 *Yeast: A Problem - Charles Kingsley* Charles Kingsley,2009-12-10 A passage from the book This book was written nearly twelve years ago and so many things have changed since then that it is hardly fair to send it into the world afresh without some notice of the improvement if such there be which has taken place meanwhile in those southern counties of England with which alone this book deals I believe that things are improved Twelve years more of the new Poor Law have taught the labouring men greater self help and independence I hope that those virtues may not be destroyed in them once more by the boundless and indiscriminate almsgiving which has become the fashion of the day in most parishes where there are resident gentry If half the money which is now given away in different forms to the agricultural poor could be spent in making their dwellings fit for honest men to live in then life morals and poor rates would be saved to an immense amount But as I do not see how to carry out such a plan I have no right to complain of others for not seeing Meanwhile cottage improvement and sanitary reform throughout the country districts are going on at a fearfully slow rate Here and there high hearted landlords like the Duke of Bedford are doing their duty like men but in general the apathy of the educated classes is most disgraceful Yeast Charles Kingsley,2019-01-14 *Yeast A Problem* 1848 was the first novel by the Victorian social and religious controversialist Charles Kingsley Themes and sources Motivated by his strong convictions as a Christian Socialist Kingsley wrote *Yeast* as an attack on Roman Catholicism and the Oxford Movement on celibacy the game laws bad

landlords and bad sanitation and on the whole social system insofar as it kept England's agricultural labourer class in poverty. The title was intended to suggest the ferment of new ideas. Yeast was influenced by the works of the philosopher Thomas Carlyle and by Henry Brooke's novel *The Fool of Quality*. Charles Kingsley (12 June 1819–23 January 1875) was a broad church priest of the Church of England, a university professor, social reformer, historian, and novelist. He is particularly associated with Christian socialism, the working men's college, and forming labour cooperatives that failed but led to the working reforms of the progressive era. He was a friend and correspondent with Charles Darwin. He was also the uncle of traveller and scientist Mary Kingsley.

**LIFE AND CHARACTER** Kingsley was born in Holne, Devon, the elder of two sons of the Reverend Charles Kingsley and his wife Mary Lucas Kingsley. His brother Henry Kingsley and his sister Charlotte Chanter also became writers. He spent his childhood in Clovelly, Devon, where his father was Curate (1826–1832) and Rector (1832–1836) and at Barnack, Northamptonshire, and was educated at Bristol Grammar School and Helston Grammar School before studying at King's College London and the University of Cambridge. Charles entered Magdalene College, Cambridge, in 1838 and graduated in 1842. He chose to pursue a ministry in the church. From 1844 he was rector of Eversley in Hampshire. In 1859 he was appointed chaplain to Queen Victoria. In 1860 he was appointed Regius Professor of Modern History at the University of Cambridge. In 1861 he became a private tutor to the Prince of Wales. In 1869 Kingsley resigned his Cambridge professorship and from 1870 to 1873 was a canon of Chester Cathedral. While in Chester he founded the Chester Society for Natural Science, Literature, and Art, which played an important part in the establishment of the Grosvenor Museum. In 1872 he accepted the Presidency of the Birmingham and Midland Institute and became its 19th President. In 1873 he was made a canon of Westminster Abbey. Kingsley died in 1875 and was buried in St Mary's Churchyard in Eversley. Kingsley sat on the 1866 Edward Eyre Defence Committee along with Thomas Carlyle, John Ruskin, Charles Dickens, John Tyndall, and Alfred Tennyson, where he supported Jamaican Governor Edward Eyre's brutal suppression of the Morant Bay Rebellion against the Jamaica Committee. One of his daughters, Mary St Leger Kingsley, became known as a novelist under the pseudonym Lucas Malet. Kingsley's life was written by his widow in 1877, entitled *Charles Kingsley: his Letters and Memories of his Life*. Kingsley also received letters from Thomas Huxley in 1860 and later in 1863 discussing Huxley's early ideas on agnosticism.

**Yeast**  
HardPress, Kingsley, Charles, 1819-1875, 2013-01. Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches, etc. We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
