JOHN POERTNER

Social Administration A Client Centered Approach

Julia Schneider

Social Administration A Client Centered Approach:

Textbook of Social Administration John Poertner, Charles A. Rapp, 2007 Textbook of Social Administration equips social programs managers with the skills they need to produce mutually desired outcomes for their consumers clients and for their staff This comprehensive resource is a how to guide to developing the management abilities needed to maintain an effective client centered approach by using a social programs framework that uses information personnel and additional resources to support and direct the interaction between social workers and their clients How does a social administrator structure an organization so that consumers achieve desired benefits and the work still gets done in an efficient manner This hands on practical guide shows how demonstrating both the basic principles of consumer client centered management through a micro skills approach and effective personnel management that produces satisfied workers and consumers Textbook of Social Administration demystifies human services management with a simple but powerful approach that is both passionate and informed Textbook of Social Administration includes frameworks for organizing social administration skills strategies for initiating change through persuasion principles of consumer centered management the elements of the social program analytic framework framework requirements for goals objectives and expectations helping behaviors examples of program elements that enhance consumer benefits applying the wrap around approach to school based mental health services managing information selecting and measuring performance indicators personnel management fiscal management the inverted hierarchy and much more Textbook of Social Administration is essential as a classroom resource for social work students interested in administration and as a professional resource for administrators in social service agencies *Social Administration* Charles A. Rapp, John Poertner, 1992 Social Administration combines fundamental management skills drawn from the field of business and public administration with those skills specific to social work management and organizational life

The Strengths Model Charles A. Rapp, Richard J. Goscha, 2011-10-31 Presenting a compelling alternative to the traditional medical approach The Strengths Model demonstrates an evidence based approach to helping people with a psychiatric disability identify and achieve meaningful and important life goals Since the first edition of this classic textbook appeared the strengths model has matured into a robust vision of mental health services Both a philosophy of practice and a specific set of tools and methods the strengths model is designed to facilitate a recovery oriented partnership between client and practitioner This completely revised edition charts the evolution of the strengths model reviews the empirical support behind it and illustrates the techniques and values that guide its application Features new to this edition An extensive update of the strengths literature focusing on recovery as the dominant paradigm in mental health services Richly drawn case vignettes demonstrating the application of methods Integration of empirical research and consumers own experiences Completely updated strengths assessment and fidelity scales In depth discussions and examples guide practitioners from theory to applied practice Descriptions of how to teach and successfully supervise large scale implementations of strengths

model work For social workers and other mental health specialists working with clients to move beyond the disabling effects of mental illness to a life filled with meaning purpose and identity this remains the crucial text

The Strengths Model: Case Management with People with Psychiatric Disabilities Charles A. Rapp, Richard J. Goscha, 2006-02-10 Much has occurred since the publication of the first edition of this classic textbook Recovery from psychiatric disabilities has become the new vision for mental health services It has placed a new eminence on consumer resiliency choice self determination shared decision making and empowerment Implementing evidence based services has become a major focus of service system reform internationally The Strengths Model Second Edition firmly grounds the strengths model of case management within the recovery paradigm and details evidence based guidelines for practice In clear language the authors describe the conceptual underpinnings theory empirical support principles and practice methods that comprise the strengths model of case management A chapter on the organizational structure and management methods necessary for successful implementation of the model make this a valuable tool for trainers supervisors and quality assurance personnel This thoroughly updated edition reflects the dynamic nature of the strengths model Practice methods have been added and refined and more detailed descriptions provided Practice tools have been improved and new ones like the Strengths Model Fidelity Instrument added New case vignettes have been added to give the reader a vivid picture of the methods in actual practice A user friendly guide for students and professionals The Strengths Model remains the only book available that systematically translates the ideas and conceptions about the strengths model into a set of empirically derived practices for people with psychiatric disabilities

The Handbook of Human Services Management Rino J. Patti, 2009 Focusing on an effectiveness driven approach to management in the human services Rino J Patti s The Handbook of Human Services Management Second Edition explores the latest information on practice innovations theoretical perspectives and empirical research to provide an essential perspective on what managers do to create and sustain organizations that deliver high quality effective services to consumers Offering the most comprehensive coverage of human services management available today this second edition includes 24 chapters authored by distinguished practitioners and scholars in human services management 10 that are entirely new and 14 that have been extensively revised The Handbook is accompanied by an Instructor s Manual

Practice with Highly Vulnerable Clients Jack Rothman, 1994 This text focuses on professional practice involving various severely impeded population groups which require comprehensive service such as persistently mentally ill frail elderly physically disabled developmentally disabled and dependent children This book discusses new service concepts and approaches to these clients and outlines an empirical model of practice for 15 specific professional functions

Psychiatric Rehabilitation in Practice Robert W. Flexer, Phyllis L. Solomon, 1993 A practical guide to the best practices and interventions for professionals working with people who have psychiatric disabilities In a multidisciplinary integrated approach defines rehabilitation as a series of interventions such as case management vocational rehabilitation
