Why Israel

John Saunders

Why Israel:

Why Israel (and its Future) Matters John L. Rosove, 2023-11-04 Presented in the form of letters from a rabbi to his sons Why Israel and its Future Matters argues that young Jews need Israel as a source of pride connection and Jewish renewal and Israel needs them for the liberal values that they can bring to the Zionist enterprise Exploring the roots and the occasionally antisemitic branches of the campaign against Israel Rabbi Rosove demonstrates why it s wrong to characterize Israel as an oppressor state and damn it with blanket condemnations A 15 page appendix features a timeline mini history of Zionism and Israel from the 19th century through October 2023 A must read Isaac Herzog President of Israel This thoughtful and passionate book reminds us that commitment to Israel and to social justice are essential components of a healthy Jewish identity Yossi Klein Halevi author Letters to My Palestinian Neighbor In its call for aspirational Zionism the book is honest and tough about Israel s flaws but optimistic about the country s direction and filled with practical strategies for promoting change This is a no nonsense straight talking work intellectually rigorous but deeply personal Rabbi Eric H Yoffie President Emeritus Union for Reform Judaism A moving love letter to Israel from a rabbinic leader who refuses to give into despair but instead recommits to building a democratic Israel that lives up to the vision of its founders Rabbi Jill Jacobs Executive Director T ruah The Rabbinic Call for Human Rights Rabbi Rosove grapples with modern Israel Jewish identity relations between Israelis and Diaspora Jews and perhaps most significantly whether you can maintain your ethical and moral values while at the same time being supporters of the Jewish state despite its flaws and imperfections It is a book that many of us wish we had written for our own children Daniel Kurtzer Former U S Ambassador to Egypt 1997 2001 and to Israel 2001 2005 Ten Reasons Why Israel Will Fail Wajid Mahmud Ibn Bashir, 2008-11 The author uses historical and theological information as the basis for the thesis that unless drastic changes are made the entire Middle Eastern region will fall

Why Israel Matters David Darwish, 2025-06-28 Why Israel Matters A Journey Through History Prophecy and the Future For centuries Israel has stood at the crossroads of history faith and destiny More than a nation it is a living narrative woven through ancient promises prophetic visions and modern realities that continue to shape the world today Why Israel Matters explores the profound significance of this small but pivotal land from its biblical foundations and dramatic exiles to the rise of modern Zionism and the ongoing conflicts that define our times This richly researched and deeply insightful book unpacks complex questions including How do ancient covenants inform current events What role does Israel play in biblical prophecy What does Israel s future hold for humanity and global peace Through a careful examination of Scripture history and contemporary challenges this book reveals Israel as a mirror reflecting the universal human experience of brokenness and hope It offers readers a fresh perspective on The enduring power of faith amid conflict and resilience The tension between war and peace exile and restoration The promise of renewal and transformation beyond struggle Whether you are a student of history a seeker of spiritual truth or simply curious about one of the most debated regions in the world Why Israel Matters

invites you on a journey of understanding challenging assumptions inspiring hope and illuminating the intersection of past present and future Discover why Israel s story continues to resonate globally and why it remains essential to grasp its role in shaping the destiny of nations and souls alike

Why Israel? Keavin Hayden,2020-09-15 The idea of Israel as a nation is an emotionally charged topic The mere mention of its name can easily set off demonstrations sometimes resulting in violence and even all out war But Why Israel What is it about this tiniest of countries sitting in the midst of massive Middle Eastern nations that constantly seems to keep the world sitting on the edge of its seat How did it get there and for what purpose does it exist These are age old questions this book seeks to answer It is not an attempt to solve any current political religious or social perplexities nor a desire to advocate on behalf of Jews Palestinians or Christians living in the region No what you are about to read is simply an honest attempt to explain from the Bible how and why Israel appears continually in world affairs and conflicts Though never mentioned specifically in the Bible the Star of David is recognized universally as the insignia for modern Judaism Today it is a symbol of great pride among the Hebrew people but during War World II Adolf Hitler forced Jews to wear it as a badge of shame designed to racially profile their identities The First Zionist Congress in 1897 chose the star as the central emblem for the flag of the future State of Israel Just 51 years later the new nation of Israel was born on May 14 1948 thus establishing the first Jewish state in nearly 2 000 years But where did Israel come from And what is the significance of their reappearance on the world s political and religious stage In his book WHY ISRAEL author Keavin Hayden takes his readers on a spiritual journey through time uncovering the history of this ancient people and demonstrating how the existence of Israel will affect the future of everyone living on our planet
