## **Soccer Access:**

*Soccer in Mind* Andrew M. Guest, 2021-11-12 From the FIFA World Cup to pick up games at your local park soccer is the closest thing in our world to a universal entertainment Many writers use this global popularity to describe the game's winners and losers but what happens when we use social science to explore how soccer intersects with culture society and the self This book provides a thinking fan's guide to the world's most popular game proposing a way of engaging soccer that sparks intellectual curiosity and employs critical consciousness Using stories and data along with ideas from sociology psychology and across the social sciences it provides readers with new ways of understanding fanaticism peak performance talent development and more Drawing on concepts ranging from cognitive bias to globalization it illuminates meanings of the game for players and fans while investigating impacts on our lives and communities While it considers soccer cultures across the globe the book also analyzes what makes U S soccer culture special including its embrace of the women's game As a scholar former minor league player and coach and fan Andrew Guest offers a distinctive perspective on soccer in society Whatever name you call it and whatever your interest in it *Soccer in Mind* will enrich your own view of the one truly global game

*Baseball Without Borders* George Gmelch, 2006-01-01 A televised baseball game from Puerto Rico Japan or even Cuba might look a lot like the North American game Beneath the outward similarities however the uniforms and equipment and basic rules there is usually a very different history and culture influencing the nuances of the sport These differences are what interest the authors of *Baseball without Borders* a book about America's national pastime going global and undergoing instructive entertaining and sometimes curious changes in the process The contributors leading authorities on baseball in the fourteen nations under consideration look at how the game was imported how it took hold and developed how it is organized played and followed and what these local and regional trends and features say about the sport's place in particular cultures Organized by region Asia the Americas Europe and the Pacific and written by journalists historians anthropologists and English professors these original essays reflect diverse perspectives and range across a refreshingly wide array of subjects from high school baseball in Japan and Little League in Taiwan to fan behavior in Cuba and the politics of baseball in China and Korea

*Soccer Access*, 1994 Just in time for the 1994 World Cup *Soccer Access* provides a complete handbook to watching and playing the world's most popular sport This authoritative guide examines the professional game and the different teams around the world provides a detailed look at soccer in North America and contains a time line of soccer history

***The Sportsworld of the Hanshin Tigers*** William W. Kelly, 2018-11-13 Baseball has been Japan's most popular sport for over a century *The Sportsworld of the Hanshin Tigers* analyzes Japanese baseball ethnographically by focusing on a single professional team the Hanshin Tigers For over fifty years the Tigers have been the one of the country's most watched and talked about professional baseball teams second only to their powerful rivals the Tokyo Yomiuri Giants Despite a largely losing record perennial frustration and infighting among players the Tigers remain overwhelming sentimental favorites in

many parts of the country This book analyzes the Hanshin Tiger phenomenon and offers an account of why it has long been so compelling and instructive Author William Kelly argues that the Tigers represent what he calls a sportsworld a collective product of the actions of players coaching staff management media and millions of passionate fans The team has come to symbolize a powerful counter narrative to idealized notions of Japanese workplace relations The Tigers are savored as a melodramatic representation of real corporate life rife with rivalries and office politics familiar to every Japanese worker And playing in a historic stadium on the edge of Osaka they carry the hopes and frustrations of Japan s second city against the all powerful capital

*Soccer Access* Access Press Staff, **Sport Nutrition** Asker Jeukendrup, Michael Gleeson, 2024-06-05
