**Sterling Deceptions** JoAnn Robb,1984      **Deep Deception** Cathy Pegau,2013-05-27 Colonial Mining Authority agent Natalia Hallowell doesn't always play by the rules but she wouldn't compromise a case either Put on administrative leave under a cloud of accusation with no support from her boss Natalia seeks a little anonymous companionship at her favorite bar But she's surprised when the woman who catches her fancy starts buying her drinks Desperate Genevieve Gennie Caine has no choice but to seduce drug and tie Natalia to the bed to get her attention With the Reyes Corporation after something she has Gennie needs Natalia to open an investigation and distract them long enough for her to get off Nevarro Natalia doesn't trust Gennie despite the growing attraction between them but the corporation's suspiciously high profits and abnormal business dealings convince her that they must be hiding something She has no idea just how deep the deceptions run For more tales of intrigue on Nevarro check out Rulebreaker and Caught in Amber available now 80 000 words      **Blue Mirage** Chinedu Nnadi,2025-11-03 Under the neon lights of Las Vegas illusion is everything and nothing is what it seems Rising magician Sierra Vale is moments away from her big break headlining her own show Blue Mirage at the Mirage Casino But when her rival dies during a trick identical to hers the spotlight turns deadly The media calls it sabotage The police call it murder And Detective Dane Keller a pragmatic investigator who doesn't believe in magic calls Sierra his prime suspect Determined to clear her name Sierra dives into a dangerous underworld hiding behind the glitz and glamour of the Strip The deeper she and Dane dig the darker the truth becomes an international smuggling ring is using Vegas magic shows as cover and someone is framing Sierra to keep their secrets buried As deception and desire intertwine the line between hunter and hunted blurs Every illusion hides a motive Every performance could be her last And every moment with Dane threatens to ignite something neither of them can control When the curtain rises on opening night Sierra must pull off the most daring trick of her life outsmart the killers survive the show and protect the man who swore to uncover her lies In a city built on smoke and mirrors love may be the deadliest illusion of all      **A Wealth of Deception** Trish Esden,2023-04-18 Danger art and a touch of romance collide in Trish Esden's second exquisitely crafted Scandal Mountain Antiques mystery perfect for fans of Jane K Cleland and Connie Berry Some people are willing to die for their art Others are willing to kill for it When Vermont antique and art dealer Edie Brown discovers an unsettlingly dark collage by the famed reclusive outsider artist known only as Vespa she opens a Pandora's Box of deception and danger Edie teams up with Uncle Tuck and Kala to investigate the background of the collage but only uncover secrets that are more disturbing than the artwork itself As Edie tracks down the validity of the piece she stumbles into an art underground where some people are willing to kill to keep their schemes a secret Esden expertly crafts a complex cast of characters a breathtakingly gorgeous setting and a twisty plot that often poses more questions than answers      **Deception, FTC Oversight** United States. Booker,2005-04-28 As the European Union moves towards adopting the constitution which will mark its final emergence as a United States of Europe The Great Deception shows how the most ambitious political project of our time has for more than 50 years been based on a colossal confidence trick the systematic concealment from the peoples of Europe of what the aim of this project has always been since its inception in the late 1940s *The Great Deception* Christopher Booker,Richard North,2021-08-19 Now published with a new preface explaining why The Great Deception is of the utmost importance today as it was when it was first published and to coincide with Great Britain s EU referendum in 2016 this book suggests that the United States of Europe and its edict of ever closer union have been based on a colossal confidence trick This book tells for the first time the inside story of the most audacious political project of modern times the plan to unite Europe under a single supranational government From the 1920s when the blueprint for the European Union was first conceived by a British civil servant this meticulously documented account takes the story right up to the moves to give Europe a political constitution already planned 60 years ago to be the crowning dream of the whole project The book shows how the gradual assembling of a European government has amounted to a slow motion coup d etat based on a strategy of deliberate deception into which Britain s leaders Macmillan and Heath were consciously drawn Drawing on a wealth of new evidence scarcely an episode of the story does not emerge in startling new light from the real reasons why de Gaulle kept Britain out in the 1960s to the fall of Mrs Thatcher The book chillingly shows how Britain s politicians not least Tony Blair were consistently outplayed in a game the rules of which they never understood But it ends by asking whether from the euro to enlargement the project has now overreached itself as a gamble doomed to fail Since their collaboration began in 1992 Christopher Booker a Sunday Telegraph columnist and Richard North who worked for four years in Brussels and Strasbourg as a senior researcher have won a unique reputation for their expertise on Britain s relationship to the European Union Their previous publications included *The Mad Officials* 1994 and *The Castle of Lies* 1996 But they regard *The Great Deception* as the book they had been waiting to write for ten years *The Works of Thomas Carlyle: The life of John Sterling* Thomas Carlyle,1900 **Sterling Deception** JoAnn Robb,1984 **The life of John Sterling** Thomas Carlyle,1871 *The Great Dalí Art Fraud and Other Deceptions* Lee Catterall,1992 This is a spellbinding expose of the major art scandal of the century implicating many galleries and dealers as well as famed artist Salvador Dali Veteran journalist Lee Catterall introduces the reader to what he calls the netherworld of art a newly sprung huge industry preying upon amateur art collectors Duotone photos [A Foundation for Theory and Assessment of Deception](#) Jef I.
