Still Learning:

Still Learning Allison Rodman, 2023-11-13 This thoughtful guide offers a framework for creating and sustaining learning organizations where both students and educators can truly thrive For years schools have worked to ensure that students develop their social emotional learning skills which research shows can benefit not only students well being but also their academic achievement Until now however developing these skills in adults has not received the same emphasis in schools despite evidence that they are just as helpful for advancing professional practice With *Still Learning Strengthening Professional and Organizational Capacity* educator and author Allison Rodman founder of the Learning Loop seeks to correct this oversight so that teachers administrators and other school leaders can thrive both individually and collectively Rodman offers a comprehensive Framework for Educator Capacity Building that sequences defines and outlines key concepts and strategies in five disciplines attunement alignment perspective collective efficacy and organizational learning In this essential resource you ll find Protocols checklists reflection exercises and myriad other practical tools for supporting educators social emotional development and strengthening professional and organizational capacity Data and examples from decades of research into the benefits of and best practices related to capacity building Lessons and insights from real life educators Recommended resources for further exploration You ll also be able to access editable PDF versions of many of the tools and resources within the book to support and enhance your reflection learning and action planning The evidence is clear Social emotional development is a must not just for students but for educators organizations and systems as well *Still Learning* has everything you need to ensure that the adults in your school or district implement and sustain healthy practices to benefit themselves their colleagues and their students

Still Learning to Read Franki Sibberson, Karen Szymusiak, 2016
Foreword by Colby Sharp In the decade since the first edition of *Still Learning to Read* was published the prevalence of testing and the Common Core State Standards have changed what is expected of both teachers and students The new edition of *Still Learning to Read* focuses on the needs of students in grades 3 6 in all aspects of reading workshop including reading workshop read aloud classroom design digital tools fiction nonfiction and close reading The book stays true to its original beliefs of slowing down and knowing our readers but it also takes into account the sense of urgency that changing times and standards impose on classrooms This edition examines current trends in literacy includes a new section on intentional instructional planning and provides expanded examples of mini lessons and routines that promote deeper thinking about learning It also includes a brand new chapter on scaffolding for reading nonfiction and showcases the authors latest thinking on close reading and text complexity Online videos provide glimpses into classrooms as students make book choices work in small groups and discuss their reading notebooks Expanded and updated book lists recommendations for digital tools lesson cycles and sections specifically written for school leaders round out this foundational resource
