Sweet Ruin Tony Hoagland,1992-11-01 Tony Hoagland captures the recognizably American landscape of a man of his generation sex friendship rock and roll cars high optimism and disillusion With what Robert Pinsky has called the saving vulgarity of American poetry Hoagland's small biographies of destruction reveal that defeat is a natural prelude to grace and loss a kind of threshold to freedom A remarkable book Without any rhetorical straining with a disarming witty directness these poems manage to transform every subject they touch from love to politics reaching out from the local and the personal to place the largest issues in the context of feeling It's hard to think of a recent book that succeeds with equal grace in fusing the truth telling and the lyric impulse clarity and song in a way that produces such consistent pleasure and surprise Carl Dennis This is wonderful poetry exuberant self assured instinct with wisdom and passion Carolyn Kizer There is a fine strong sense in these poems of real lives being lived in a real world This is something I greatly prize And it is all colored sometimes brightly by the poet's own highly romantic vision of things so that what we may think we already know ends up seeming rich and strange Donald Justice In Sweet Ruin we're banging along the Baja of our little American lives spritzing truth from our lapels elbowing our compadres the Seven Deadly Sins Maybe we're unhappy in a less than tragic way but our ruin requires of us a love and understanding and loyalty just as deep and sweet as any tragic hero's And it's all the more poignant in a sad and funny way because the purpose of this forced spiritual march Hoagland seems to be saying is to leave ourselves behind Undoubtedly you will recognize among the body count many of your selves Jack Myers

Shadow's Seduction Kresley Cole,2017-02-28 Includes an 8 chapter bonus preview of WICKED ABYSS In this scorching Immortals After Dark Dacian novel 1 New York Times bestselling author Kresley Cole brings together a wicked vampire prince used to getting everything he desires and a demon warrior who always felt like an outcast A night of debauchery Prince Mirceo Daciano and his new friend Caspion the Tracker comb the streets of Dacia drunkenly seeking out pleasures of the flesh In what should have been a typical night they coax a bevy of nymphs to bed To impress their females the demon and the vampire kiss on a dare Changes them forever Once they finally break away from their soul searing kiss they find themselves alone and shaken Had they imagined their explosive chemistry Obstacles ranging from a death sentence to exile in a war torn dimension threaten to destroy their lives and the vulnerable promise in that one kiss How long can they resist the fire that blazes between them Even if Mirceo accepts Caspion as his fated mate the seductive vampire still must convince the stubborn demon that their bond is forever And any royal Dacian union must receive the blessing of King Lothaire an unpredictable and savage killer

The Dinner Date Cathi Hanauer,2012-05-15 From the New York Times bestselling editor of The Bitch in the House and

the author of the novels *Sweet Ruin* and *Gone* comes an original short story about a young doctor whose wife has just left him and the woman whose chance with him has finally come. Set in Manhattan it showcases Cathi Hanauer's talent for capturing the nuances of modern love. Just as the main character Adam is devastated by his wife's very recent abandonment he finds himself drawn to the attractive co-worker he knows has a crush on him. It's anguish and excitement all at once and brilliantly told. Originally written nearly twenty years ago it eventually partially evolved into *Gone*, Hanauer's incredibly compelling new novel about a middle-aged woman whose husband drives the babysitter home one night and simply doesn't come back.

The Sweet Escape Alice Reyes, 2025-02-25 I'm Eliza, a painfully shy baker who pours everything into my creations at The Sweet Escape, the small town bakery I inherited from my grandmother. I'm happy in my quiet world surrounded by sugar and flour, far away from the spotlight. Romance, that's something I only read about in my well-worn novels. Then Ben walks in. A charismatic architect from the big city, he's looking for an escape from the pressures of his high-profile life. He stumbles upon my bakery and, to my surprise, he keeps coming back, not just for the pastries but for something more. He sees me in a way no one else ever has. As Ben and I grow closer, he gently pushes me out of my comfort zone while I remind him of the simple joys he's been missing. But my insecurities and enemies threaten to get in the way, and when his strong personality comes knocking, I start to wonder if our Sweet Escape was only ever temporary. Can I find the courage to open my heart? And can Ben truly leave his old life behind for a future with me? Or will this love story end before it even begins?

The Bitch Is Back Cathi Hanauer, 2016-09-27 More than a decade after the New York Times bestselling anthology *The Bitch in the House* spoke up loud and clear for a generation of young women, nine of the original contributors are back along with sixteen captivating new voices sharing their ruminations from an older, stronger, and wiser perspective about love, sex, work, family, independence, body image, health, and aging—the critical flash points of women's lives today. Born out of anger, the essays in *The Bitch in the House* chronicled the face of womanhood at the beginning of a new millennium. Now those funny, smart, passionate contributors, today less bitter and resentful and more confident, competent, and content, capture the spirit of postfeminism in this equally provocative, illuminating, and compelling companion anthology. Having aged into their forties, fifties, and sixties, these bitches, bestselling authors, renowned journalists, and critically acclaimed novelists are back and better than ever. In *The Bitch Is Back*, Cathi Hanauer, Kate Christensen, Sarah Crichton, Debora Spar, Ann Hood, Veronica Chambers, and nineteen other women offer unique views on womanhood and feminism today. Some of the original bitches revisit their earlier essays to reflect on their previous selves. All reveal how their lives have changed in the intervening years, whether they stayed coupled, left marriages, or had affairs; developed cancer or other physical challenges; coped with partners who strayed, died, or remained faithful; became full-time wage earners or homemakers; opened up their marriages; remained childless; or became parents; or experienced other meaningful life transitions. As a new wave of feminists begins to take center stage, this powerful, timely collection sheds a much-needed light on both past and present, offering understanding, compassion,

and wisdom for modern women s lives all the while pointing toward the exciting possibilities of tomorrow *The Savoy*
