Working Fire:

Working Fire Zac Unger,2005-02-22 Zac Unger didn't feel like much of a fireman at first Most of his fellow recruits seemed to have planned for the job all their lives he was an Ivy League grad responding to an ad at a bus stop He couldn't keep his boots shined and he looked terrible in his uniform Working Fire is the story of how from this unlikely beginning Zac Unger came to feel at home among this close knit tribe came to master his work's demands and came to know what it is to see the world through a firefighter's eyes From the raw material of his days work alarm calls both harrowing and hilarious moments of triumph and grief Unger has forged a timeless story of finding one's path and a rousing adventure about the bravery and sacrifice of everyday heroes On the web <http://www.zacunger.com> San Francisco Municipal Reports ...
