**Stealing America** Robert McKinley, Sr.,2025-07-15      [Stealing America's Future](#) William Steiner,2010-04 Stealing America's Future makes a comparison of today's America to late 19th Century Europe using two rare books The Conventional Lies of our Civilization by Nordau describing Europe's elitist leadership and The Soviets at Work by Lenin outlining the Russian Revolution as it took place Not a part of the discussion of history both provide frightening detail about the nuances of the geopolitics of Europe circa 1900 that relate to today's America Using heartwarming family stories humorous anecdotes incisive criticism and cold factual analysis it describes how progressive liberalism with its attempts at social engineering and excessive permissiveness has brought social and economic disaster to America David Letterman relating to Sarah Palin I fear he sees her as more man than he will ever be and more woman than he will ever get Bill Maher relating to Michelle Obama my only conclusion about Maher is that he is just another angry little bully who is fearful of powerful women Is it time to separate the North American Continent into a federation of smaller component nations better reflecting the economics and ethos of these individual component nations yet having our common defense as the only connection or do we need to get back to the Constitution our founders gave to us Raised in a poor farm family in Pawnee County Nebraska Dr Steiner had the ethics of hard work and family values as his primary guide post to succeed Working his way through college and graduating from the University of Nebraska in 1973 he located his dental practice in an economically impacted area of Omaha Nebraska where he also worked in a public health clinic developing insights with regard to what motivates people He is a pilot and an accomplished martial artist attaining several black belts He was featured in a Sun Up Interview by the Omaha World Herald's Robert McMorris and was also featured in an interview by William Rush in the League of Human Dignity paper where Sensei Steiner outlined his martial arts training strategies for handicapped persons He was called by Charles Kuralt to panel a discussion of the Gulf Crisis for CBS News before the Gulf War      [The Theft of America's Heritage](#) Russ Miller,Jim Dobkins,2010-11 Who is behind the erosion of America's true Biblical heritage and how and why is it happening Learn this and more in this must read for every American Citizen concerned about our vanishing freedoms This book dramatically documents how our country was founded by predominately Christian men on predominately Christian principles Learn how you can help stem the tide of these vanishing freedoms      **Stealing: how America's Employees are Stealing Their Companies Blind** Mark Lipman,1973 Cases of systematic dishonesty in American companies factories stores etc from the files of a private investigator who works from coast to coast      [Summary, Analysis & Review of Dinesh D'Souza's Stealing America by Eureka](#) Eureka,2016-12-17 Summary Analysis Review of Dinesh D Souza's Stealing America by Eureka Preview Stealing America What My Experience with Criminal Gangs Taught Me About Obama Hillary and the Democratic Party is a nonfiction book by neoconservative political commentator Dinesh D Souza Stealing America argues that the Democratic Party's campaign to redistribute wealth from the rich to the poor amounts to theft He contends that Democratic leaders such as

President Barack Obama and presidential contender Hillary Clinton use lies and demagoguery to justify their intentions to redistribute wealth The Affordable Care Act for example has not lived up to Obama s promises to lower health care insurance premiums and overall health care costs Nor has it provided all people in the United States with health insurance This companion to *Stealing America* includes Overview of the book Important People Key Takeaways Analysis of Key Takeaways and much more **The Stealing of America** John W. Hunter III, 2014-07-30 AMERICA America is the land of the free and home of the brave At least this used to be how it was Now it is more like America is the land of the corrupt and home of the ignorant Here we have an uncontrollable disease of corruption at its finest WE THE PEOPLE are simply lacking knowledge or information of who we choose to elect for a government office Who we think we are voting for just from the looks or what conspires out of their very mouths but do we really know who they are in essence of how they qualify in a particular role of office In order to justify the means the book you are about to read will enlighten you as to whom is corrupt and for how long it has been into existence We will evaluate the circumstances to see why these events or things were corrupted out of revenge or sheer greed of money to gain power Some who are mentioned within this book are not so much corrupt but do hold a very thin line of being so The Constitution pertains to ALL Americans and especially government officials who were elected to make sure our rights are not trampled on regardless of race religion or place of origin Whenever these rights are continuously being abused by the representatives of our government then it surely is time for the Sleeping Giants MUST Awake Again America There has to be a big change within the entire government system It has to take place from city mayors governors legislation federal court system all the way up to the United States President Action speaks louder than words therefore what actions are taken by our congress people should be monitored closer by the people so our rights are upheld in an honorable fashion When outsiders other than American citizens are given our constitutional rights being illegal immigrants and then treason by fault of the U S government is in play IMPEACHMENT is in order to follow through immediately We can control the corruption if we discontinue the dynasties and take time to investigate whom we are going to vote for better When any candidate try to change any of the Constitution or Bill of Rights for their own personal needs it threatens the people of any age groups It dishonors our flag and country dishonors other political or religious organizations camouflaging misconduct by prejudice unexplainable expenses for diplomatic reasons while traveling parties while there is a crisis going on which requires their immediate attention or gives aid to the undeserving before their own kind Americans should be impeached immediately with no benefits herewith ALL must take drug test and have
