*Stringer and the Border War* Lou Cameron,2013-01-01 Only Pancho Villa king of bandits is gutsy enough to make war on Terrazas the Tyrant And only Villa would sell tickets to one of his massacres A curious mob settles along the Rio Grande waiting for a bloodbath They don t know that they ve wasted their two bits on a phony war Only one man is wise to Villa s crafty fake Stringer MacKail The adventurer turned newsman saddles a fast horse and tracks the real war to Mexico s sun parched badlands The desert erupts in a hellish inferno of torture and death as Villa s fearless gang shoots it out with Terraza s battle scarred army A murderous band of Yaqui warriors adds to the slaughter It s a hell of a war And a hell of a story if Stringer lives to tell it

**Wars of Scotland, 1214-1371** Michael Brown,2020-03-31 The Wars of Scotland is the story of the pivotal period in Scottish history between 1214 and 1371 The century and a half between the death of King William the Lion and the accession of the Stewarts witnessed major changes in the internal character of the kingdom and its place in the wider European world The opening decades of this era seemed to be dominated by the continued development of a defined Scottish realm but the crisis which engulfed the kings and their people meant that issues of war and allegiance would make fourteenth century Scotland a very different place This book is the first detailed discussion of the thirteenth and fourteenth centuries as a single period of both developing and fragmenting political hierarchies and communities The Wars of Scotland provides a political narrative which places events in their immediate context as well as highlighting special issues and groups in thematic chapters It also introduces a new discussion of the stability and unity of Scotland as a realm and community and of the impact of war and dynastic crisis on a Medieval state
