Structural Study Of Myth Totemism

Robert Alan Segal

Structural Study Of Myth Totemism:

The Structural Study of Myth and Totemism Edmund Leach, 2013-04-15 Designed to provoke controversy the papers in this volume concentrate on two main themes the study of myth and totemism Starting with an English translation of La Geste d Asdiwal which is widely considered to be the most brilliant of all of Lévi Strauss s shorter expositions of his technique of myth analysis the volume also contains criticism of this essay The second part of the volume discusses how far Lévi Strauss s treatment of totemism as a system of category formation can be correlated with the facts that an ethnographer encounters in the field First published in 1967 *The Structural Study of Myth and Totemism* Association of Social Anthropologists of the Commonwealth, 1968 Edmund Leach Stanley J. Tambiah, 2002-02-14 Intellectual biography of Edmund Leach a leading social anthropologist of his generation with illustrations **Structuralism in Myth** Robert Alan Segal, 1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **Myth in old testament interpretation** J. Kimambo, 1976 *Pillars in the History of Biblical Interpretation, Volume 2* Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar s theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed **Teaching Lévi-Strauss** Hans H. Penner, 1998 Claude Lévi Strauss s mid twentieth century work in structural anthropology revolutionized the study of myth kinship and totemism with lasting effects in cultural studies generally and especially in religious studies This book provides an introduction to this revolution through generous excerpts of some of Lévi Strauss s most important writing on religion Reactions and responses both positive and negative to the revolution are also included along with some of Lévi Strauss s replies to his critics A general introduction by volume editor Hans Penner provides a framework for understanding the historical development and contemporary meaning of structuralism for religious studies This volume provides an unparalleled resource for teaching about structuralism **Race and the Unconscious** Fanny
